(6) The deposit made in respect of a candidate who is not elected shall, if it is not forfeited under sub-rule (3), be returned to the candidate or to the person who has made the deposit on his behalf, as the case may be, as soon as may be after the publication of the result of the election in the Gazette; and the deposit made in respect of a candidate who is elected shall, if it is not forfeited under sub-rule (5), be so returned as soon as may be after the candidate has made the oath or affirmation hereinafter prescribed, or in pursuance of a direction by the Governor General in Council for the return of the deposit despite the fact that the said oath or affirmation has not been made:

Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermanding of the poll.

**14. Procedure at election.**—(1) If the number of candidates who are duly nominated and who have not withdrawn their candidature in the manner and within the time specified in sub-rule (3) of rule 11 exceeds that of the vacancies a poll shall be taken.

(2) If the number of such candidates is equal to the number of vacancies, all such candidates shall be declared to be duly elected.

(3) If the number of such candidates is less than the number of vacancies, all such candidates, if any, shall be declared to be elected, and the Governor General shall, by a notification in the Gazette, call upon the constituency to elect a person or persons, as the case may be, within such time as may be prescribed by the notification:

Provided that where the constituency, having already been called upon under this sub-rule, has failed to elect a person or the requisite number of persons, as the case may be, to fill the vacancy or vacancies, the Governor General shall not be bound to call again upon the constituency to elect a person or persons until such time, if any, as he thinks fit.

(4) Votes shall be given by ballot, and in general constituencies in person:

Provided that the Governor General in Council may—

Provided that in the Bengal (European) constituency the Returning Officer shall determine the candidates to whom the largest number of votes has been given in accordance with the regulations made in that behalf.

(8) Where an equality of votes is found to exist between any candidates and the addition of one vote will entitle any of the candidates to be declared elected, the determination of the person or persons to whom such one additional vote shall be deemed to have been given shall be made by lot to be drawn in the presence of the Returning Officer and in such manner as he may determine.

(9) The Returning Officer shall without delay report the result of the election to the Secretary to the Government of India in the Legislative Department, and the name or names of the candidate or candidates elected shall be published in the Gazette.

### **PART VII**

#### **THE FINAL DECISION OF DOUBTS AND DISPUTES AS TO THE VALIDITY OF AN ELECTION**

**30. Definitions.**—In this Part and in Schedule V, unless there is anything repugnant in the subject or context,—

**32. Presentation of the petition.**—(1) An election petition against any returned candidate may be presented to the Governor General—

(a) by any candidate or elector within fourteen days from the date on which the return of the election expenses of the returned candidate and the declarations referred to in rule 19 are received by the Returning Officer; or

(h) Within thirty days from that date by an officer empowered by the Governor General in Council in this behalf on the ground that the election has not been a free election by reason of the large number of cases in which undue influence or bribery has been exercised or committed; or

(c) on the ground that the returned candidate or his election agent or any other person acting with the connivance of the candidate or of his election agent has been guilty of the offence of bribery, undue influence or personation as defined in Chapter IX-A of the Indian Penal Code in respect of the election, by any candidate or elector within fourteen days from the date on which such returned candidate, election agent or other person is convicted of such offence.

(2) An election petition shall be deemed to have been presented to the Governor General when it is delivered to the Governor General or to any officer appointed by him in this behalf—

(a) by the person making the petition; or

(b) by a person authorised in writing in this behalf by the person making the petition; or

(c) by registered post.

(3) When the last day of the period for the presentation of an election petition under this rule is a public holiday within the meaning of section 25 of the Negotiable Instruments Act, 1881, or has been notified by the local Government of the province in which the petition is presented as a day to be observed as a holiday in Government offices, the petition shall be considered as having been received in due time if it is presented on the next succeeding day which is neither such a public holiday nor a day so notified.

(4) For the purposes of clause (a) of sub-rule (1), the date on which the return of the election expenses and the declarations referred to in rule 19 are received by the Returning Officer shall, in the case of a candidate who has made such return and declaration in the manner provided in sub-rule (4) of that rule, be deemed to be the date on which the declaration of the candidate under that sub-rule is received.

**33. Contents of the petition.**—(1) The petition shall contain a statement in concise form of the material facts on which the petitioner relies and shall, where necessary, be divided into paragraphs numbered consecutively. It shall be signed by the petitioner and verified in the manner prescribed for the verification of pleadings in the Code of Civil Procedure, 1908.

(2) The petition shall be accompanied by a list signed and verified in like manner setting forth full particulars of any corrupt practice which the petitioner alleges, including as full a statement as possible as to the names of the parties alleged to have committed any corrupt practice and the date and place of the commission of each such practice.

(3) The Commissioners may, upon such terms as to costs and otherwise as they may direct, at any time, allow the particulars included in the said list to be amended or order such further and better particulars in regard to any matter referred to therein to be furnished as may, in their opinion, be necessary for the purpose of ensuring a fair and effectual trial of the petition.

**34. Against whom it may be presented.**—The petitioner may, if he so desires, in addition to calling in question the election of the returned candidate, claim a declaration that he himself or any other candidate has been duly elected, in which case he shall join as respondents to his petition all other candidates who were nominated at the election.

**35. Deposit of security.**—At the time of presentation of the petition, the petitioner shall, except where the petition is presented under clause (b) of sub-rule (1) of rule 32, deposit with it the sum of one thousand rupees in cash or in Government Promissory Notes of equal value at the market rate of the day as security for the costs of the same.

**36. Dismissal for default.**—(1) If the provisions of rule 32, rule 33 or rule 35 are not complied with, the Governor General shall dismiss the petition:

Provided that if the person making the petition satisfies the Governor General that he had sufficient cause for not presenting the petition within the period prescribed in rule 32, the Governor General shall have discretion to condone the failure to comply with that rule.

(2) **Appointment of Commissioners.**—If the petition is not dismissed under sub-rule (1)—

(a) the Governor General shall appoint as Commissioners for the trial of the petition three persons who are or have been, or are eligible to be appointed, Judges of a High Court within the meaning of section 101 (3) of the Act, or section 220 (3) of the new Act and shall appoint one of them to be the President, and thereafter all applications and proceedings in connection therewith shall be dealt with and held by such Commissioners;

(b) the President of the Commission shall, as soon as may be, cause a copy of the petition to be served on each respondent and to be published in the Gazette, and may call on the petitioner to execute a bond in such amount and with such sureties as he may require for the payment of any further costs. At any time within fourteen days after such publication, any other candidate shall be entitled to be joined as a respondent on giving security in a like amount and procuring the execution of a like bond:

Provided that the execution of such a bond by the petitioner shall not be required in any case where the petition has been presented under clause (h) of sub-rule (1) of rule 32.

(3) When in respect of an election in a constituency more petitions than one are presented, the Governor General shall refer all such petitions to the same Commissioners, who may at their discretion inquire into the petitions either in one or in more proceedings as they shall think fit.

(4) If the services of any Commissioner are not available for the purposes of the inquiry, or if, during the course of the inquiry, any Commissioner is unable to continue to attend the same, the Governor General shall appoint another Commissioner and the inquiry shall recommence before the Commission as so reconstituted:

Provided that the Commissioners may direct that any evidence already recorded may remain upon the record, in which case it shall not be necessary to re-examine those witnesses who have already been examined and discharged.

(5) Nothing in this rule shall be deemed to prevent the appointment of the President of a Commission before the other Commissioners are appointed and if the President is so appointed, all references to the Commissioners in these rules shall, in respect of any matter which may be or is to be done before the commencement of the inquiry, be deemed to be references to the President.

**37. Inquiry by Commissioners.**—Subject to the provisions of these rules every election petition shall be inquired into by the Commissioners, as nearly as may be in accordance with the procedure applicable under the Code of Civil Procedure 1908, to the trial of suits:

Provided that it shall only be necessary for the Commissioners to make a memorandum of the substance of the evidence of any witness examined by them.

**38. Place of inquiry.**—The inquiry shall be held at such place as the Governor General may appoint:

Provided that the Commissioners may, in their discretion, sit for any part of the inquiry at any other place in the province in which the constituency in question is situated and may depute any one of their number to take evidence at any place in that province.

**39. Withdrawal of petition.**—(1) An election petition may be withdrawn only by leave of the Commissioners, or, if an application for withdrawal is made before any Commissioner has been appointed, of the Governor General:

(2) If there are more petitioners than one, no application to withdraw petition shall be made except with the consent of all the petitioners.

(3) When an application for withdrawal is made to the Commissioners, notice thereof fixing a date for the hearing of the application shall be given to all other parties to the petition and shall be published in the Gazette.

(4) No application for withdrawal shall be granted if, in the opinion of the Governor General or of the Commissioners, as the case may be such application has been induced by any bargain or consideration which ought not to be allowed.

(5) If the application is granted—

(a) the petitioner shall where the application has been made to the Commissioners be ordered to pay the costs of the respondent theretofore incurred or such portion thereof as the Commissioners may think fit;

(b) notice of the withdrawal shall be published in the Gazette by the Governor General or by the Commissioners as the case may be; and

(c) any person who might himself have been a petitioner may, within fourteen days of such publication, apply to be substituted as petitioner in place of the party withdrawing, and, upon compliance with the conditions of rule 35 as to security, shall be entitled to be so substituted and to continue the proceedings upon such terms as the Commissioners may think fit.

**40. Abatement or substitution on death of petitioner.**—(1) An election petition shall abate only on the death of the sole petitioner or of the survivor of several petitioners:

Provided that, where such sole petitioner was an officer empowered under clause (b) of sub-rule (1) of rule 32, the proceedings may be continued by any other officer empowered in this behalf by the Governor General in Council.

(2) Notice of the abatement of an election petition shall be published in the Gazette by the Commissioners or, if the petition abates before any Commissioner has been appointed, by the Governor General.

(3) Any person who might himself have been a petitioner may, within fourteen days of such publication, apply to be substituted as petitioner, and, upon compliance with the conditions of rule 35 as to security shall be entitled to be so substituted and to continue the proceedings upon such terms as the Commissioner may think fit.

**41. Abatement or substitution on death of respondent.**—If before the conclusion of the trial of an election petition the respondent dies or gives notice that he does not intend to oppose the petition, the Commissioners shall cause notice of such event to be published in the Gazette, and thereupon any person who might have been a petitioner may, within fourteen days of such publication, apply to be substituted for such respondent to oppose the petition, and shall be entitled to continue the proceedings upon such terms as the Commissioners may think fit.

**42. Recrimination when seat claimed.**—(1) Where at an inquiry into an election petition any candidate, other than the returned candidate, claims the seat for himself, the returned candidate or any other party may give evidence to prove that the election of such candidate would have been void if he had been the returned candidate and a petition had been presented complaining of his election:

Provided that the returned candidate or such other party as aforesaid shall not be entitled to give such evidence unless he has, within fourteen days from the date of the publication of the election petition under clause (b) of sub-rule (2) of rule 36, given notice of his intention to the Commissioners and made the deposit and procured the execution of the bond referred to in rules 35 and 36, respectively.

(2) Every notice referred to in sub-rule (1) shall be accompanied by the statement and list of particulars required by rule 38 in the case of an election petition and shall be signed and verified in like manner.

**43. Attendance of Law Officers.**—When at an inquiry into an election petition the Commissioners so order, the Advocate General or some person acting under his instructions shall attend and take such part therein as they may direct.

*Explanation.*—“Advocate General” means the Advocate General for the Federation or, where the Government of a Province consents to the entrustment of his functions to the Advocate General for a Province, the Advocate General for such Province.

**44. Grounds for declaring election void.**—(1) Save as hereinafter provided in this rule, if in the opinion of the Commissioners—

(e) the election of a returned candidate has been procured or induced, or the result of the election has been materially affected, by a corrupt practice, or

(b) any corrupt practice specified in Part I of Schedule V has been committed, or

(c) the result of the election has been materially affected by the improper acceptance or refusal of any nomination or by the improper reception or refusal of a vote or the reception of any vote which is void or by any non-compliance with the provisions of the Act or the rules or regulations made hereunder, or by any mistake in the use of any form annexed thereto, or

(d) the election has not been a free election by reason of the large number of cases in which undue influence or bribery, within the meaning either of Part I or of Part II of Schedule V has been exercised or committed, the election of the returned candidate shall be void.

(2) If the Commissioners report that a returned candidate has been guilty by an agent (other than his election agent) of any corrupt practice specified in Part I of Schedule V, but further report that the candidate has satisfied them that—

(a) no corrupt practice was committed at such election by the candidate or his election agent, and the corrupt practices mentioned in the report were committed contrary to the orders and without the sanction or connivance of such candidate or his election agent, and

(b) such candidate and his election agent took all reasonable means for preventing the commission of corrupt practices at such election, and

(c) the corrupt practices mentioned in the said report were of a trivial, unimportant and limited character, or took the form of customary hospitality which did not affect the result of the election, and

(d) in all other respects the election was free from any corrupt practice on the part of such candidate or any of his agents.

then the Commissioners may find that the election of such candidate is not void.

**45. Report of Commissioners and procedure thereon.**—(1) At the conclusion of the inquiry, the Commissioners shall report whether the returned candidate, or any other party to the petition who has, under the provisions of these rules, claimed the seat, has been duly elected, and in so reporting shall have regard to the provisions of rule 44.

(2) The report shall further include a recommendation by the Commissioners as to the total amount of costs which are payable and the person by and to whom such costs should be paid. Such recommendation may include a recommendation for the payment to the Advocate General or a person acting under his instructions, attending in pursuance of an order made under rule 43, of costs in respect of that attendance, but shall not include a recommendation for the payment of costs in respect of any other Government expenditure in connection with the inquiry.

(3) The report shall be in writing and shall be signed by all the Commissioners. The Commissioners shall forthwith forward their report to the Governor General who, on receipt thereof, shall issue orders in accordance with the report and publish the report in the Gazette, and the orders of the Governor General shall be final.

46. **Form of report.**—If either in their report or upon any other matter there is a difference of opinion among the Commissioners, the opinion of the majority shall prevail, and their report shall be expressed in the terms of the views of the majority.

47. **Finding as to corrupt practices and persons guilty thereof.**—Where any charge is made in an election petition of any corrupt practice, the Commissioners shall record in their report—

(a) a finding whether a corrupt practice has or has not been proved to have been committed by any candidate or his agent, or with the connivance of any candidate or his agent, and the nature of such corrupt practice, and

(b) the names of all persons (if any) who have been proved at the inquiry to have been guilty of any corrupt practice and the nature of such corrupt practice with any such recommendations as they may desire to make for the exemption of any such persons from any disqualifications they may have incurred in this connection under these rules.

Provided that no person shall be so named in the report unless he has been given a reasonable opportunity of showing cause why his name should not be so recorded.

(2) No ballot paper shall be issued after that hour but any elector who has received his ballot paper before that hour shall be allowed a reasonable opportunity to record his vote.

18. Each polling station shall be furnished with such number of compartments in which electors can record their votes screened from observation, as the

Returning Officer thinks necessary. As far as possible, separate compartments and separate entrances and exits shall, where action is not taken under Regulation 18-A, be provided for women electors.

18-A. Notwithstanding anything hereinbefore contained, the Returning Officer may, at his discretion, if a sufficient number of women suitable and willing to act as presiding and polling officers are available, provide a separate polling station for taking the votes of the women electors for any polling area or make such other arrangements as may be necessary to ensure the privacy of such electors. In such cases women only shall be appointed to act as presiding and polling officers in respect of the votes of the women electors concerned. Except the police or other public servants on duty, no candidate, agent of a candidate or other person who is not a woman shall be admitted into or be present at such polling station or the place where the votes of such women electors are taken, as the case may be.

19. The Returning Officer shall provide at each polling station materials sufficient for the purpose of enabling electors to mark the ballot papers, as many ballot boxes as may be necessary, and copies of the electoral roll or such part thereof as contains the names of the electors entitled to vote at such station.

20. (1) Every ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show the ballot box empty to such persons as may be present in such station so that they may see that it is empty, and shall then lock it up, and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

(2) Before the polling station is open for the recording of votes the presiding officer shall read to such persons as may be present, the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, and shall explain the substance thereof in the vernacular of the district.

(2) The ballot papers printed in each language shall be serially numbered the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

22. Immediately before a ballot paper is delivered to an elector, the number, name and description of the elector as stated in the electoral roll shall be called out, and the number and name of the elector shall be entered on the counterfoil. The presiding officer shall then detach the ballot paper from the counterfoil, initial it on its back and deliver it to the elector, and a mark shall be placed on a copy of the electoral roll against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. On the counterfoil shall be entered the name of the constituency and the name or distinctive number of the polling station.

23. The elector, on receiving the ballot paper, shall forthwith proceed into one of the compartments in the polling station and there mark his paper and fold it up so as to conceal his vote and, after showing to the presiding officer his (i.e., the presiding officer's) initials thereon, shall put his ballot paper so folded up into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

24. (1) If the elector states that he cannot record his vote without assistance, the presiding officer shall ascertain from him for whom he wishes to vote and shall mark his ballot paper accordingly and give it to him to be put in the ballot box.

(2) In the case of every elector whose ballot paper is marked in this manner by the presiding officer, a note shall be made on the counterfoil, Form III-A, by the presiding officer of the reason why it was so marked.

25. (1) When a person presents himself to vote and at any time before a ballot paper is supplied to him the presiding officer or polling officer may, of his own accord, and shall, if so required by a candidate or polling agent, put to such person any or all of the following questions:—

(i) Are you the person enrolled as follows (reading the whole entry from the roll)?

(ii) Have you already voted at the present election in this constituency?

(iii) *(To be put at a general election only.)* Have you already voted at this general election for the Legislative Assembly in any other general constituency? and the person shall not be supplied with a ballot paper unless he gives an unqualified answer to the question or questions put to him and unless his answer to the first question is in the affirmative, the second question in the negative, and at a general election, the third question also in the negative.

(2) Except as mentioned herein, every person whose name is found on the electoral roll shall be entitled to be supplied with a ballot paper.

26. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to receive a ballot paper in the same manner as any other elector. Such ballot paper (hereinafter referred to as a tendered ballot paper) shall be of a colour different from the other ballot papers, and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the elector and his number on the electoral roll and the name or number of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the elector and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form IV annexed to these regulations, which shall bear the heading 'Tendered Votes List'. The person tendering such ballot paper shall sign his name and address on that list or affix his thumb impression thereto.

27. If any polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged votes (which shall be in Form V annexed to these regulations) his name and address, or, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in regulation 25 gives unqualified answers to the first question in the affirmative and the other questions in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged votes.

*Explanation.*—The application of this regulation shall not exclude the application of regulation 26, nor shall the application of regulation 26 exclude the application of this regulation.

28. An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper, may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoiled paper, and the latter shall, together with its counterfoil, be marked as cancelled.

29. A presiding officer, polling officer, or polling agent, or public servant who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by the Returning Officer of the constituency concerned to be entitled to vote at the election, be allowed to record his vote at that polling station. The

name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with the other particulars to be entered therein.

30. #### *Counting of Votes*

44. The Returning Officer shall, as soon as may be practicable, appoint a date which shall be not later than fifteen days from the date of the poll, and the time and place for the counting of votes and shall give notice in writing thereof to all candidates and election agents.

45. (1) No person shall be allowed to be present at the counting of votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14.

(2) No person shall be appointed to assist in counting the votes who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

46. On the day and at the time appointed under regulation 44 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) (i) If the constituency is one in which the voting is personal, the ballot box or boxes relating to each polling station or the envelopes containing votes under regulation 29 shall be opened one after another, and the Returning Officer shall take out the ballot papers therefrom, count them or cause them to be counted, and record the number thereof in a statement. Such statement shall not be shown to any candidate or agent.

(ii) If the constituency is one in which postal voting is allowed, the covers received from or deposited by electors under the proviso to regulation 40 shall be opened one after another and the envelopes and declaration papers taken out therefrom. If a cover should contain no declaration paper outside the envelope, the envelope enclosed in such cover shall be rejected and the Returning Officer shall endorse the word "Rejected" on the envelope. If a cover contains a declaration paper, the Returning Officer shall examine whether the declaration paper is the one sent out by him and whether the declaration and attestation are *prima facie* regular. If he is not satisfied that a declaration paper is the one sent out by him to the elector concerned or if the declaration or attestation is not in order, he shall endorse the word "Rejected" on the back of the declaration paper and keep it with the connected envelope in a separate bundle. If more than one declaration paper or more than one envelope is enclosed in one and the same cover, all the declaration papers and envelopes contained in the cover shall be rejected and the Returning Officer shall endorse the word "Rejected" on the back of each declaration paper and keep the declaration papers so rejected and the envelopes contained in the cover in the same bundle of rejected papers. He shall file the other declaration papers and the envelopes containing the corresponding ballot papers in a separate heap. These envelopes shall then be opened, the ballot papers enclosed therein taken out and counted and the total thereof recorded by the Returning Officer in a statement.

(b) The Returning Officer shall then mix together all the ballot papers so counted and totalled up and distribute them in convenient bundles to the persons appointed to assist in counting the votes.

(c) When the ballot papers have been so distributed, but not before, the Returning Officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, all ballot papers which in his opinion are liable to be rejected and shall, on every ballot paper, which is wholly or partly rejected, endorse the word "Rejected". If any candidate or agent presents questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on the back of any ballot paper.

(d) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or agents as may desire to affix them, and shall cause adequate precautions to be taken for their custody.

47. (1) A ballot paper shall be rejected it, in the case of all constituencies—both personal vote and postal vote,—

(a) the number of votes recorded thereon exceeds the number of vacancies to be filled,

(b) no vote is recorded thereon,

(c) it is void for uncertainty,

(d) it bears any mark by which the elector can be identified,

and in the

case of personal vote constituencies—

(e) it does not bear the initials of the presiding officer on its back (*N.B.*—This shall not apply to a postal vote), and in the case of postal vote constituencies—

(f) (i) the cover, enclosing the elector's declaration paper and the envelope containing his ballot paper has neither been sent by registered post so as to reach the Returning Officer not later than the day and the latest hour fixed for the poll nor deposited in the ballot box provided in the office of the Returning Officer on the day and during the hours fixed for the poll,

(ii) the cover contains no declaration paper outside the envelope,

(iii) more than one declaration paper or envelope containing ballot paper have been enclosed in one and the same cover,

(iv) the declaration paper is not the one sent out by the Returning Officer to the elector or the declaration or attestation is not in order:

Provided that in a case where more than one vote can be given on the same ballot paper, if one of the marks is so placed as to render it doubtful to which candidate it was intended to apply, the vote concerned but not the whole ballot paper shall be invalid on that account.

(2) Except on the above-mentioned grounds, a ballot paper shall not be rejected.

(3) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition.

48. The following procedure shall apply to constituencies other than those for which postal voting is allowed:—

The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under regulation 32 by comparing it with the number of accepted ballot papers and of rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and re-seal each packet which has been opened by him, and shall record on each packet a description of its contents and the date of the election to which it refers.

49. The following procedure shall apply in the case of postal vote constituencies:—

Upon the completion of the counting, the Returning Officer shall seal up in separate packets—

- (1) the counted ballot papers;
- (2) the rejected declaration papers and connected envelopes;
- (3) the ballot papers rejected at the count;
- (4) the rejected envelopes and the connected declaration papers, if any; and
- (5) the marked copy of the electoral roll.

He shall also prepare and sign a statement in Form XI and record on each packet a description of its contents and the date of the election to which it refers.

50. The Returning Officer shall then prepare and certify a return in Form XII setting forth—

- (1) the names of the candidates for whom valid votes have been given,
- (2) the number of valid votes given for each candidate,
- (3) the name of the candidate elected,
- (4) the number of votes declared invalid, and
- (5) the number of tendered votes given,

and shall permit any candidate or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of, or an extract from, such return.

#### *Miscellaneous*

51. (1) The Returning Officer shall, after reporting the result of the election under rule 14 forward a copy of the return made under regulation 50 to the Secretary to the Government of India in the Legislative Department.

(2) All the packets relating to the elections shall, subject to the control of the Local Government, remain in the custody of the Returning Officer.

52. The packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof, or of the declaration papers, as the case may be, shall not be opened and their contents shall not be inspected or produced except under the order of a competent Court or of Commissioners appointed to hold an inquiry in respect of an election, but all other documents relating to the election shall be open to inspection subject to such conditions as the Local Government may impose and to the payment of a fee of Rs. 5.

In such cases, the voter may, on delivering it personally to the returning officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoiled paper, and the latter shall with its counterfoil be marked as cancelled.

65. (1) The returning officer shall appoint a date, time and place for the counting of votes, and shall give notice thereof in writing to the candidates. If at the time appointed the returning officer, from any unavoidable cause, is unable to proceed with the counting of votes, he shall postpone the counting to some other time and date and shall give notice thereof in writing to the candidates and election agents.

(2) On the day and at the time and place appointed the returning officer shall first of all read the provisions of section 14 of the Indian Elections Offences and Enquiries Act, 1920, to such persons as may be present and shall then fold the lower portion of every ballot paper along the dotted line on the back so as to conceal the names of the elector and of the attesting officer and should seal down the portion thus folded with the official seal and thereafter shall—

(a) after scrutiny, separate or cause to be separated the ballot papers which he deems valid from those which he rejects, endorsing on the latter the word "rejected" and the ground of rejection;

(b) count, or cause to be counted, the votes given to each candidate and declare the candidate, or candidates, with the largest number of votes to be elected;

(c) upon the completion of the counting, prepare and certify a return setting forth—

(i) the number of valid votes given for each candidate;

(ii) the number of votes declared invalid and rejected;

(iii) the name of the person declared elected;

(d) permit any candidate or his agent to take a copy of, or an extract from, the return;

(a) seal up in separate packets the counted and rejected ballot papers, and record on each such packet a description of its contents and the name of the constituency and the date of the election to which it refers.

66. The local Government shall appoint and notify in such manner as it thinks fit the date referred to in Regulation 59 for sending ballot papers to electors and the date referred to in Regulation 60 for the attestation of ballot papers.

*Special Regulations applicable to the Bengal (European) Constituency*

67. In the case of an election for the Bengal (European) constituency, Regulations 45 to 48 shall not be applicable and the following Regulations 68 to 81 inclusive shall be substituted therefor, and shall apply.

68. In the following regulations—

(1) the expression "continuing candidate" means any candidate not elected and not excluded from the poll;

(2) the expression "first preference" means the figure "1", the expression "second preference" means the figure "2", and the expression "third preference" means the figure "3" set opposite the name of any candidate, and so on;

(3) the expression "transferable paper" means a ballot paper on which a second or subsequent preference is recorded for a continuing candidate;

(4) the expression "non-transferable paper" means a ballot paper on which no second or subsequent preference is recorded for a continuing candidate:

Provided that a paper shall be deemed to be non-transferable paper in any case in which—

(a) the names of two or more candidates (whether continuing or not) are marked with the same figure, and are next in order of preference; or

(b) the name of the candidate next in order of preference (whether continuing or not) is marked—

(i) by a figure not following consecutively after some other figure on the ballot paper; or

(ii) by two or more figures;

(5) the expression "original vote" in regard to any candidate means a vote derived from a ballot paper on which a first preference is recorded for that candidate;

(6) the expression "transferred vote" in regard to any candidate means a vote derived from a ballot paper on which a second or subsequent preference is recorded for that candidate;

(7) the expression "surplus" means the number of votes by which the total number of votes, original and transferred, credited to any candidate exceeds the quota.

69. The ballot paper shall contain the names of the candidates arranged alphabetically in the order of their surname. It shall be in the form set out in Form VIII annexed to these regulations.

70. (1) Every elector shall have one vote only.

(2) An elector in giving his vote—

(a) must place on his ballot paper the figure 1 in the square opposite the name of the candidate for whom he votes;

(b) may, in addition, place on his ballot paper the figure 2 or the figures 2 and 3, or 2, 3 and 4, and so on, in the squares opposite the names of other candidates in the order of his preference.

71. A ballot paper shall be invalid on which—

(a) the figure 1 is not marked; or

(b) the figure 1 is set opposite the name of more than one candidate, or is so placed as to render it doubtful to which candidate it is intended to apply; or

(c) the figure 1 and some other figure are set opposite the name of the candidate;

(d) any mark is made by which the voter may afterwards be identified.

72. On the day and at the time and place appointed under Regulation 43 for the counting of votes the returning officer shall first of all read out the provisions of section 14 of the Indian Elections Offences and Enquiries Act, 1920, to such persons as may be present and shall then open the ballot box, and, after scrutiny, separate the ballot papers, which he deems valid from those which he rejects, endorsing on the latter the word "rejected" and the ground of rejection, and, after rejecting any that are invalid, shall arrange the remainder in parcels according to the first preferences recorded for each candidate.

73. The returning officer shall then count the number of papers in each parcel, and credit each candidate with one vote in respect of each valid paper on which a first preference has been recorded for him, and he shall ascertain the total number of valid papers.

74. The returning officer shall then divide the total number of valid papers by a number exceeding by one the number of vacancies to be filled, and the result increased by one, disregarding any fractional remainder, shall be the number of votes sufficient to secure the return of a candidate (hereinafter called the "quota").

75. If at any time the number of votes credited to a candidate is equal to or greater than the quota, that candidate shall be declared elected.

76. (1) If at any time the number of votes credited to a candidate is greater than the quota, the surplus shall be transferred in accordance with the provisions of this regulation to the continuing candidates indicated on the ballot papers in the parcel of the elected candidate, as being next in order of the voters' preference.

(2) (a) If the votes credited to an elected candidate consist of original votes only, the returning officer shall examine all the papers in the parcel of the elected candidate whose surplus is to be transferred, and shall arrange the transferable papers in sub-parcels according to the next preferences recorded thereon.

(b) If the votes credited to an elected candidate consist of original and transferred votes, or of transferred votes only, the returning officer shall examine the papers contained in the sub-parcel last received by the elected candidate and shall arrange the transferable papers therein in further sub-parcels according to the next preferences recorded thereon.

(c) In either case the returning officer shall make a separate sub-parcel of the non-transferable papers and shall ascertain the number of papers in each sub-parcel of transferable papers and in the sub-parcel of non-transferable papers.

(3) If the total number of papers in the sub-parcels of transferable papers is equal to or less than the surplus, the returning officer shall transfer each sub-parcel of transferable papers to the continuing candidate indicated thereon as the voters' next preference.

(4) (a) If the total number of transferable papers is greater than the surplus, the returning officer shall transfer from each sub-parcel the number of papers which bears the same proportion to the number of papers in the sub-parcel as the surplus bears to the total number of transferable papers.

(b) The number of papers to be transferred from each sub-parcel shall be ascertained by multiplying the number of papers in the sub-parcel by the surplus and dividing the result by the total number of transferable papers. A note shall be made of the fractional parts, if any, of each number so ascertained.

(c) If, owing to the existence of such fractional parts, the number of papers to be transferred is less than the surplus, so many of these fractional parts taken in the order of their magnitude, beginning with the largest, as are necessary to make the total number of papers to be transferred equal to the surplus, shall be reckoned as of the value of unity, and the remaining fractional parts shall be ignored.

If two or more fractional parts are of equal magnitude, that fractional part shall be deemed to be the larger which arises from the larger sub-parcel, and if the sub-parcels in question are equal in size, preference shall be given to the candidate who obtained the larger number of original votes.

(d) The particular papers to be transferred from each sub-parcel shall be those last filed in the sub-parcel.

(e) Each paper transferred shall be marked in such a manner as to indicate the candidate from and to whom the transfer is made.

(5) (a) If more than one candidate has a surplus, the largest surplus shall be first dealt with.

(b) If two or more candidates have each the same surplus, regard shall be had to the number of original votes obtained by each candidate, and the surplus of the candidate credited with the largest number of original votes shall be first dealt with and, if the numbers of the original votes are equal, the returning officer shall decide which surplus he will first deal with.

(c) The returning officer need not transfer the surplus of an elected candidate when that surplus, together with any other surplus not transferred, does not exceed the difference between the totals of the votes credited to the two continuing candidates lowest on the poll.

77. (1) If at any time no candidate has a surplus (or when under the preceding rule any existing surplus need not be transferred) and one or more vacancies remain unfilled, the returning officer shall exclude from the poll the candidate credited with the lowest number of votes, and shall examine all the papers of that candidate, and shall arrange the transferable papers in sub-parcels according to the next preferences recorded thereon for continuing candidates, and shall transfer each sub-parcel to the candidate for whom that preference is recorded.

(2) If the total of the votes of the two or more candidates lowest on the poll, together with any surplus votes not transferred, is less than the votes credited to the next highest candidate, the returning officer may in one operation exclude those candidates from the poll and transfer their votes in accordance with the preceding regulation.

(3) If, when a candidate has to be excluded under this regulation, two or more candidates have each the same number of votes and are lowest on the poll, regard shall be had to the number of original votes credited to each of those candidates, and the candidate with the lowest original votes shall be excluded, and, where the numbers of the original votes are equal, regard shall be had to the total number of votes credited to those candidates at the first transfer at which they had an unequal number of votes and the candidate with the lowest number of votes at that transfer shall be excluded, and, where the numbers of votes credited to those candidates were equal at all transfers, the returning officer shall decide which shall be excluded.

78. (1) Whenever any transfer is made under any of the preceding regulations, each sub-parcel of papers transferred shall be added to the parcel, if any, of papers of the candidate to whom the transfer is made, and that candidate shall be credited with one vote in respect of each paper transferred. Such papers as are not transferred shall be set aside as finally dealt with, and the votes given thereon shall thenceforth not be taken into account.

(2) If after any transfer a candidate has a surplus, that surplus shall be dealt with in accordance with and subject to the provisions contained in Regulation 77 before any other candidate is excluded.

79. (1) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be declared elected.

(2) When only one vacancy remains unfilled, and the votes of some one continuing candidate exceed the total of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate shall be declared elected.

(3) When the last vacancies can be filled under this regulation, no further transfer of votes need be made.

80. Any candidate, or his duly authorised representative in his absence, may, at any time during the counting of the votes, either before the commencement or after the completion of any transfer of votes (whether surplus or otherwise), request the returning officer to re-examine and recount the papers of all or any candidates (not being papers set aside at any previous transfer as finally dealt with), and the returning officer shall forthwith re-examine and recount the same accordingly. The returning officer may also at his discretion recount votes either once or more often in any case in which he is not satisfied as to the accuracy of any previous count;

Provided that nothing herein shall make it obligatory on the returning officer to recount the same votes more than once.

81. (1) The returning officer shall not open the sealed packets or the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under Regulation 42 by comparing it with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and reseal each packet which has been opened by him, seal up in separate packets the counted and rejected ballot papers, and record on each packet a description of its contents, the name of the constituency and the date of the election to which it refers.

(2) The returning officer shall prepare and certify a return setting forth—

(i) the number of valid votes given to each candidate,

(ii) the number of votes declared invalid and rejected,

(iii) the number of tendered ballot papers issued to electors as shown in the ballot paper account,

(iv) the names of the persons declared elected;

and permit any candidate or representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from the return.

(b) the police or other persons on duty, and

(c) such other persons as the presiding officer may from time to time admit for the purpose of identifying electors.

(2) The presiding officer shall close the polling station at the hour appointed in that behalf by the local Government under regulation 12, so as to prevent the admission thereto of any voter after that hour.

15. Subject to the provisions of regulations 28 and 29 no person shall be admitted to vote at any polling station except the one allotted to the polling area in which he has been registered as an elector:

Provided that in the cases of the Rohilkhand and Kumaon divisions non-Muhammadan and Muhammadan (Rural) constituencies a person entered in those parts of the electoral rolls which pertain to the Naini Tal tahsil of the Naini Tal District shall be admitted to vote at the Haldwani, Kaladhungi, Kotahigh and Ramnagar polling stations in the Naini Tal District if he can be identified and the presiding or polling officer is satisfied that he is entitled to vote in the Naini Tal tahsil and that he has not already recorded his vote in the said tahsil.

16. No ballot paper shall be issued after the closing hour appointed under regulation 12 but any voter who has received his ballot paper before that hour shall be allowed a reasonable opportunity to record his vote.

17. Each polling station shall be furnished with such number of compartments, in which voters can record their votes screened from observations, as the District Officer thinks necessary.

18. The District Officer shall provide at each polling station such number of clerks as he may consider necessary, materials sufficient for the purpose of enabling voters to mark the ballot papers, as many ballot boxes as may be necessary, copies of the electoral rolls or of such part thereof as contains the names of the electors entitled to vote at such station, a list of the nominations and such other papers and forms as may be necessary.

19. Every ballot box shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show the ballot box empty to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up, and place a seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view or the view of a polling officer for the receipt of ballot papers and keep it so locked and sealed.

20. Before the polling station is open for the recording of votes, the presiding officer shall read to the polling agents and such other persons as may be present the provisions of section 14 of the Elections Offences and Inquiries Act 1920, and shall explain the substance thereof in the vernacular of the district.

21. The name of every person presenting himself to vote and his number on the electoral roll shall be entered on a slip in Form IV attached to these regulations, and such person shall thereafter, if he is literate, sign his name in the column provided for that purpose or, if he is illiterate, fix his thumb impression thereto. Every signature or thumb impression so made shall be attested by any candidate or his representative as aforesaid who may be able to recognise the voter or by any other person who may be admitted by the presiding officer for the purpose of identifying voters. Such slips shall be consecutively numbered.

22. The elector shall then present the aforementioned slip to the presiding officer or polling officer, who, after satisfying himself that the slip has been duly signed or impressed and attested, shall give to the elector the outer foil of a ballot paper bearing on each side an official mark and shall at the same time note on the corresponding counterfoil the number of the elector in the electoral roll and make a mark against the entry of the elector's name in the electoral roll to denote that the elector has received a ballot paper. This mark shall not indicate the number of the ballot paper which the elector has received.

23. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer, may of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and

(2) Have you already voted at the present election in this constituency? and at a general election—

(3) Have you already voted at this general election for the Legislative Assembly in any other general constituency?

and the elector shall not be supplied with a ballot paper if he refuses to answer one of the questions and unless he answers the first question in the affirmative, the second question in the negative, and, at a general election, the third question also in the negative.

24. If the elector is literate, he shall on receiving the ballot paper forthwith proceed to a place screened from observation which shall be set apart for the purpose and shall there mark a cross against the name of the candidate whom he prefers. He shall then fold the ballot paper so as to conceal his vote and shall put the ballot paper so folded into the ballot box.

25. If the elector is illiterate or by reason of infirmity is unable to vote in the manner prescribed, the presiding officer or polling officer shall at his request, in the view of any polling agents who are present, make a cross on the ballot paper according to the direction of the elector, and shall cause the ballot paper so marked to be placed in the ballot box.

26. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to mark a ballot paper in the same manner as any other voter. Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be of a colour different from the other ballot papers, and, instead of being put in the ballot box, shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the returning officer. The name of the voter and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form V annexed to these regulations, which shall bear the heading "Tendered Votes List." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

27. An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoiled paper, and the latter shall, together with its counterfoil be marked as cancelled.

28. A presiding officer, polling officer, polling agent, or clerk employed by the presiding officer who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by a returning officer to be entitled to vote at the election for the constituency in connection with which he is employed or for any other constituency, be allowed to record his vote at that polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with his number in the electoral roll for the constituency in which that polling station is situated.

29. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in regulation 28 to the returning officer who has granted the same, and such returning officer shall cause such vote to be included among the other votes for the candidate designated by the elector.

30. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidate or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal,—

- (1) each ballot box in use at each station unopened but with the key attached;
- (2) the unused ballot papers;
- (3) the tendered ballot papers;
- (4) the spoiled ballot papers;
- (5) the marked copy or copies of the electoral roll;
- (6) the counterfoils of the ballot papers;
- (7) the tendered votes list; and
- (8) the electors' identification slips,

and shall deliver such packets to the returning officer.

31. The packets shall be accompanied by a statement in Form VI made by the presiding officer, showing the number of ballot papers entrusted to him and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under regulation 28.

#### COUNTING OF VOTES

32. The returning officer shall appoint a date, as soon as may be practicable after the close of the poll, and a time and place for the counting of the votes and shall give notice in writing thereof to all candidates and election agents.

33. (1) No person shall be allowed to be present at the counting of the votes except the returning officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14.

(2) No person shall be appointed to assist in counting the votes who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

34. On the day and at the time appointed under regulation 32 the returning officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another, and the returning officer shall take out the papers therefrom, count them or cause them to be counted, and record the number in each box separately in a statement. Such statement shall not be shown to any candidate or agent.

(b) The returning officer shall then mix together all the ballot papers so taken out from the ballot boxes and distribute them in convenient bundles to the persons appointed to assist in counting the votes.

(c) When the ballot papers have been so distributed, but not before, the returning officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, the ballot papers, and shall on every ballot paper which is rejected endorse the word "rejected". If any candidate or agent present questions the correctness of the rejection he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on any ballot paper.

(d) The returning officer shall, as far as practicable, proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seal of such candidates or agents as may desire to affix them and shall cause adequate precautions to be taken for their custody.

35. (1) A ballot paper shall be rejected if—

- (a) it has not the official mark,
- (b) more than one vote is recorded thereon,
- (c) no vote is recorded thereon,
- (d) it is void for uncertainty,
- (e) it bears any mark by which the elector can be identified.

(2) The decision of the returning officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition claiming the seat.

36. The returning officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under regulation 31 by comparing it with the number of counted votes and rejected ballot papers, the unused or spoilt ballot papers in his possession and the tendered votes list, shall then re-close and re-seal each packet which has been opened by him, and

shall record on each packet a description of its contents and the date of the election to which it refers.

37. The returning officer shall then prepare and certify a return setting forth—

- (1) the result of the verification referred to in regulation 36,
- (2) the names of the candidates for whom valid votes have been given,
- (3) the number of valid votes given for each candidate,
- (4) the name of the candidate elected,
- (5) the number of votes declared invalid, and
- (6) the number of tendared votas given,

and shall permit any candidate or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

38. The returning officer shall, after reporting the result of the election under rule 14, retain in safe custody the return and all the packets relating to the election in his possession.

## SCRUTINY OF NOMINATION PAPERS

4. On the date and at the time appointed by the local Government for the scrutiny of nominations under sub-rule (2) of rule 11 each candidate, the election agent of each candidate, one proposer and one seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person may attend at such time and place as the returning officer may appoint, and the returning officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time and in the manner prescribed in rule 11.

5. (1) The returning officer shall examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objections or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

- (i) that the candidate is ineligible for election under rule 5 or rule 6;
- (ii) that the name of a proposer or seconder is not entered on the electoral roll of the constituency or, subject to the provisions of sub-regulations (2) (b) and (3), that a person whose name is entered in such roll has subscribed more nomination papers than one;
- (iii) that there has been any failure to comply with any of the provisions of rule 11 (3), (5) or (6) or rule 12 (1);
- (iv) that the candidate or any proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be;
- (v) that the signature of the candidate or of any proposer or seconder is not genuine or has been obtained by fraud.

(2) For the purpose of this regulation,—

(a) the production of any certified copy of an entry made in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper, as the case may be, unless it is proved that the candidate is disqualified under rule 5 or rule 6 and

(b) where a person has subscribed, whether as proposer or seconder, more than one nomination paper, that paper, so subscribed, which has been first received shall be deemed to be valid.

(3) Nothing contained in clause (ii), clause (iii), clause (iv), or clause (v) of sub-regulation (1) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

6. (1) The returning officer shall endorse on each nomination paper his decision accepting or rejecting the same and, if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(2) The scrutiny shall be completed on the day appointed in this behalf under clause (b) of sub-rule (2) of rule 11 and no adjournment of the proceedings shall be allowed unless objection is taken to a nomination. In case an objection is made, the candidate concerned may be allowed time to rebut it not later than the next day but one following the date fixed for scrutiny, and the returning officer must record his decision on the date to which the proceedings have been adjourned.

7. (1) On completion of the scrutiny of nominations and after the expiry of the period within which candidatures may be withdrawn under sub-rule (8) of rule 11, the returning officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

(2) If two or more candidates are duly nominated the returning officer shall forthwith publish in the Gazette, and in such other manner as the local Government may prescribe and in such other places in the constituency as he may consider necessary, the names of the candidates as given in the nomination papers in alphabetical order. He shall also cause their names to be entered in ballot papers in Form IV attached to these regulations.

#### VOTING

8. (1) Every elector desirous of recording his vote shall attend for the purpose at such place in the district under which his name appears in the electoral roll and on such date and at such time as may be appointed by the local Government in this behalf.

(2) The attesting officer shall thereupon deliver to each elector a ballot paper in Form IV annexed to these regulations in which shall be entered the names of the candidates together with an envelope for enclosing the same. No ballot paper shall be given to an elector after the time fixed for the closing of the poll.

(3) The elector shall sign the declaration on the back of the paper in the presence of the attesting officer in accordance with the instructions on the face thereof, and the attesting officer shall attest his signature in the manner prescribed by the same instructions, and shall at the same time make a mark against the entry of the elector's name in the electoral roll.

(4) The elector shall then proceed to a place screened from observation which shall be provided by the attesting officer, and there mark his vote on the ballot paper in accordance with the instructions on the face thereof.

(5) The elector shall then place the ballot paper in the envelope provided, and, after closing the envelope, shall deliver it to the attesting officer.

(6) If an elector is unable to read or write, or is by reason of blindness or other physical defect incapacitated from recording his vote as required by the foregoing provisions of this regulation, the attesting officer shall assist him in such manner as may be necessary to mark the ballot paper and sign the declaration on the back thereof.

9. The ballot paper shall be invalid if it is not duly marked or if a cross is placed opposite the name of more than one candidate or if it is so placed as to render it doubtful to which candidate the vote was intended to be given, or if the declaration on the back of the ballot paper has not been duly signed by the elector.

10. If a person representing himself to be a particular elector applies for a ballot paper after another person has voted as such an elector, the applicant shall, on signing a list in Form V attached to these regulations, bearing the heading "Tendered Votes List," be entitled to record his vote in the manner provided in regulation 8 but no attestation of the attesting officer will be necessary. On the ballot paper which he shall receive and on the envelope in which it is enclosed the words "tendered vote" shall be written by the attesting officer.

11. The attesting officer shall, at the close of the day appointed for the attestation of ballot papers in the presence of such candidates or their representatives duly authorised in writing, if any, as may be in attendance, make up into separate packets and seal with his own seal and with the seal of such candidates or their representatives as aforesaid as may desire to affix their seal—

- (1) the envelopes received by him under regulation 8 (5),
- (2) the envelopes containing tendered votes received by him under regulation 10,
- (3) the unused ballot papers,
- (4) the marked copies of the electoral roll, and
- (5) the tendered votes list,

and shall forward these packets to the returning officer accompanied by a statement in Form VI attached to these regulations.

#### COUNTING OF VOTES

12. (1) On receiving the packets mentioned in regulation 11 the returning officer shall open the packet containing the envelopes received by the attesting officer under regulation 8 (5), and shall examine the ballot papers to see whether they have been correctly filled up.

(2) The returning officer shall endorse "rejected" with the grounds for such rejection on any ballot paper which he may reject on the ground that it is invalid under these regulations.

(3) The returning officer shall then fold the lower portion of every ballot paper, whether valid or invalid, along the dotted line on the back so as to conceal the names of the elector and the attesting officer and shall seal down the portion thus folded with his official seal.

13. (1) The returning officer shall appoint a date, time and place for the counting of votes and shall give notice in writing thereof to all the candidates or their election agents.

(2) The candidates or their representatives duly authorised in writing shall be entitled to see the ballot papers after they have been sealed as provided by regulation 12 (3).

(3) If an objection is made to any ballot paper on the ground that it is invalid under these regulations or to the rejection by the returning officer of any ballot paper, it shall be decided at once by the returning officer, who shall record on the ballot paper the nature of the objection and his decision thereon.

14. The valid votes given to each candidate shall then be counted. If the counting of votes has not been completed by 6 p.m., on the date appointed the returning officer may adjourn the proceedings until the following day at 10 a.m., and in such case shall place the ballot papers and all other documents relating to the election under his own seal and the seals of such candidates or their representatives as aforesaid, if any, as may be in attendance and desires to affix their seals and shall otherwise take proper precautions for the security of such papers and documents and may in like manner adjourn the proceedings from day to day until the counting of votes has been completed.

15. The returning officer shall not open the sealed packets of the tendered ballot papers or the marked copies of the electoral roll. He shall verify the statement submitted by the attesting officer in Form VI by comparing it with the number of ballot papers counted and rejected, the unused ballot papers in his possession and the tendered votes list and shall then re-close and re-seal each packet which has been opened by him and shall record on each packet a description of its contents and the date of the election to which it refers.

16. The returning officer shall then prepare a return setting forth—

- (1) the result of the verification referred to in regulation 15,
- (2) the names of the candidates for whom valid votes were given,
- (3) the number of valid votes given for each candidate,
- (4) the name of candidate elected,
- (5) the number of votes declared invalid, and
- (6) the number of tendered votes given,

and shall permit any candidate or his representative as aforesaid to take copy of or an extract from such return.

17. The returning officer shall, after reporting the result of the election, retain, in safe custody all the packets relating to the election in his possession.

## REGULATIONS FOR NOMINATIONS AND ELECTIONS

*Regulations under rule 15 of the Legislative Assembly Electoral Rules for the nomination and election of members of constituencies in the Punjab for the Legislative Assembly.*

## APPOINTMENT OF RETURNING OFFICERS

1. The Returning Officers for the constituencies mentioned in the first column of the Schedule hereto annexed shall be the persons respectively specified in the corresponding entry in the second column thereof.

2. (1) The persons specified in the third column of the said Schedule may, subject to the control of the Returning Officer, perform all or any of the functions of the Returning Officer in the constituencies respectively specified in the corresponding entry in the first column thereof:

Provided that no such person shall perform any of the functions of a Returning Officer which relate to the acceptance of a nomination paper or to the scrutiny of nominations or to the counting of votes, unless the Returning Officer is unavoidably prevented from performing the same, in which case the said functions may be performed in any constituency by the person specified in the corresponding entry in the third column of the Schedule.

(2) References to the Returning Officer in these regulations shall, unless a contrary intention appears, be deemed to include any person when performing any duty or function which he is authorised to perform under sub-regulation (1).

## SCRUTINY OF NOMINATIONS

3. On the date appointed by the local Government for the scrutiny of nominations under sub-rule (2) of rule 11, the candidates, their election agents, one proposer and one seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Returning Officer may appoint, and the Returning Officer shall give them all reasonable facilities for examining the nomination papers\* of all candidates which have been delivered within the time and in the manner prescribed in rule 11.

4. (1) The Returning Officer shall examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or on his own motion after such summary enquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

- (i) that the candidate is ineligible for election under rule 5 or rule 6,
- (ii) that a proposer or seconder is disqualified from subscribing a nomination paper under sub-rule (4) of rule 11;
- (iii) that there has been any failure to comply with any of the provisions of rule 11 or rule 12;
- (iv) that the candidate or any proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be;
- (v) that the signature of the candidate or of any proposer or seconder is not genuine or has been obtained by fraud.

\*Printed forms of nomination paper prescribed in Schedule III will be supplied free of cost by the Deputy Commissioner on application by bona fide candidates.

(2) For the purposes of this regulation—

(a) the production of any certified copy of an entry made in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper, as the case may be, unless it is proved that the candidate is disqualified under rule 5 or rule 6 or, as the case may be, that the proposer or seconder is disqualified under sub-rule (4) of rule 11, and

(b) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(3) Nothing contained in clause (ii), clause (iii), clause (iv), or clause (v) of sub-regulation (1) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper, in respect of which no irregularity has been committed.

5. (1) The Returning Officer shall endorse on each nomination paper his decision accepting or rejecting the same, and, if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(2) The scrutiny shall be completed on the day appointed in this behalf under clause (b) of sub-rule (2) of rule 11 and no adjournment of the proceedings shall be allowed.

6. On completion of the scrutiny of nominations, and after the expiry of the period within which candidatures may be withdrawn under sub-rule (8) of rule 11, the Returning Officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

7. If more than one candidate is duly nominated, the Returning Officer shall forthwith publish in the local official Gazette and at the headquarters of the district or districts and of the tahsil or tahsils in the constituency concerned the names of the candidates as given in the nomination papers in alphabetical order. And he shall also take such action as the local Government may direct for the printing of ballot papers.

#### VOTING

8. In the general constituencies the votes shall be recorded on the date or dates appointed for the poll under clause (c) of sub-rule (2) of rule 11 from 9 A.M. to 1 P.M. and from 1-30 P.M. to 4 P.M.: the dates so fixed and the hours shall be published in the manner prescribed for the publication of the electoral rolls in each part of the constituency to which they relate.

9. (1) The Deputy Commissioner shall select for each constituency included in his district as many polling stations as he thinks necessary and shall publish, in the manner prescribed for the publication of electoral rolls, a list showing the polling stations so selected, and the polling areas for which they have respectively been selected. And no person shall be permitted to vote except at the polling station of the area in which he is registered except as provided in regulation 24.

(2) The Deputy Commissioner shall appoint a presiding officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the presiding officer as he thinks necessary.

10. (1) The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time and shall exclude all other persons except—

(a) the polling officers, the candidates, and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing by the candidate,

(b) the police or other public servants on duty, and

(c) such other persons as the presiding officer may from time to time admit for the purpose of identifying electors.

(2) The presiding officer shall close the polling station at the hour appointed under regulation 8 so as to prevent the admission thereto of any voter after that hour.

11. No ballot paper shall be issued after the closing hour appointed under regulation 8, but any voter who has received his ballot paper before that hour shall be allowed a reasonable opportunity to record his vote.

12. In each polling station arrangements shall be made to enable the voters to record their votes screened from all observation.

13. (1) The Deputy Commissioner shall provide at each polling station materials sufficient for the purpose of enabling voters to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret.

14. Every ballot box shall be marked with the name of the legislative body and of the district and polling station for which it is to be used. It shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll shall show the ballot box empty to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up and place upon it the seal provided for the purpose in such manner as to prevent its being opened, without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

15. Before the polling station is open for the recording of votes, the presiding officer shall read to such persons as may be present the provisions of section 14\* of the Indian Elections Offences and Inquiries Act, 1920, and shall explain the substance thereof in the vernacular of the district.

16. Immediately before a ballot paper is delivered to an elector, it shall be stamped with the official mark, and the number, name and description of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil and his signature or, if he is unable to affix his signature, a rolled impression of his left thumb shall be obtained on the counterfoil, and a mark shall be placed in a copy of the electoral roll against the number of the elector to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. On the counterfoil shall also be entered the name of the constituency and of the district, as well as the name and distinctive number of the polling station.

17. The elector, on receiving the ballot paper, shall forthwith proceed to mark his paper with a cross mark against the name of the candidate in whose favour he wishes to record his vote, and fold it up so as to conceal his vote, and, after showing to the presiding officer the official mark, shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

18. The presiding officer shall give such assistance as may be required to any elector who is, by reason of infirmity, illiteracy, or ignorance of Urdu, unable to vote in the manner prescribed.

\*14. (1) Every officer, clerk, agent or other person who performs any duty in connection with the recording or counting of votes at an election shall maintain *Maintenance of secrecy of voting.* and aid in maintaining the secrecy of voting and shall not (except for some purpose authorised by or under any law) communicate to any person any information calculated to violate such secrecy.

(2) Any person who wilfully acts in contravention of the provisions of this section shall be punished with imprisonment of either description for a term not exceeding three months, or with fine, or with both.

19. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or polling agent, put to the elector the following questions:—

- (1) Are you the person enrolled as follows (reading the whole entry from the roll)? and
- (2) Have you already voted at the present election in this constituency? and at a general election—
- (3) Have you already voted at this general election for the Legislative Assembly in any other general constituency?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative, the second question in the negative, and, at a general election, the third question also in the negative.

20. The ballot paper shall be in Form I annexed to these regulations. The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

21. If a person representing himself to be a particular elector named on the elector roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to mark a ballot paper in the same manner as any other voter. Such ballot paper (hereinafter referred to as a tendered ballot paper) shall be of a colour different from the other ballot papers, and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the voter and his number in the electoral roll and the name and distinctive number of the polling station to which the roll relates shall be entered in a list in Form II annexed to these regulations, which shall bear the heading "Tendered Votes List." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in the list.

22. If any polling agent declares and undertakes to prove that any person, by applying for a ballot paper, has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged votes (which shall be in Form III annexed to these regulations) his name and address, or, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in regulation 19 answers the first question in the affirmative and the other questions in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged votes.

23. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall, together with its counterfoil, be marked as cancelled.

24. A presiding officer, polling officer, or polling agent who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by the Returning Officer of the constituency in which he is registered as a voter to be entitled to vote at the election for the constituency in connection with which he is employed or for any other constituency, be allowed to record his vote at that polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with his number in the electoral roll for the constituency in which that

polling station is situated. If the constituency is different from one in which the elector is entitled to vote, the ballot paper shall be appropriately corrected.

25. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in regulation 24 to the Returning Officer who has granted the same, and such Returning Officer shall cause such vote to be included among the other votes given for the candidate designated by the voter.

26. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with the seal provided and the seal of such candidates or agents as may desire to affix their seals—

(1) each ballot box in use at each station unopened but with the key attached and with the slit in the lid covered with cloth sealed with the seal provided; and

separately for each constituency—

- (2) the unissued ballot papers;
- (3) the tendered ballot papers;
- (4) the spoiled ballot papers;
- (5) the marked copy of the electoral roll;
- (6) the counterfoils of the ballot papers;
- (7) the counterfoils of the tendered ballot papers;
- (8) the tendered votes list; and
- (9) the list of challenged votes.

27. Outside every parcel made under the last preceding regulation, the presiding officer shall write under his signature the name of the polling station and the nature of the contents of the parcel, and he shall then make all the parcels into one package, and he shall then seal the package with the seal provided and mark on it the name and number of the polling station and he shall then make over the package with the least possible delay to a police officer deputed to take charge of it at the polling station.

28. The police officer shall be responsible for the safeguarding of the package made over to him and shall forward it with the least possible delay to the Deputy Commissioner of the district in which the polling station is situated.

29. The presiding officer for each polling station shall forward separately to the Deputy Commissioner of the district, in Form IV appended to these regulations, an account of ballot papers.

30. The Deputy Commissioner shall open all packages forwarded to him from polling stations, and shall retain unopened and shall keep in safe custody all parcels contained therein, except the ballot boxes and the parcels of unissued ballot papers which shall be dealt with in the manner hereinafter prescribed.

31. On a date appointed by him, after the receipt of the packages from all polling stations in his district, and in the presence of any candidate who desires to watch the proceedings or in his absence, of a representative duly authorised by him in writing, the Deputy Commissioner shall separately open each ballot box and shall remove the ballot papers from the box, but not so as to unfold them or see or permit any person to see how any ballot paper has been marked, and shall distribute the ballot papers according to their respective constituencies. He shall, after counting them, make up the ballot papers of each constituency into a separate parcel and then reseal it with the seal provided and mark the parcel outside with the name and number of the polling station and of the constituency, and he shall then open the parcel of unissued ballot papers relating to the constituency and the polling station concerned and shall count and reseal them with the seal provided, in a parcel marked outside as above prescribed, and he shall then for each constituency and polling station check, with the presiding officer's ballot paper account, the number of ballot papers found in the ballot box and the number of unissued ballot papers received by him.

32. The Deputy Commissioner shall restore the parcels of unissued ballot papers resealed by him to their respective packages and he shall then reseat the packages and keep them in safe custody.

33. As soon as possible after he has resealed the ballot papers in parcels according to their respective constituencies and checked their numbers, the Deputy Commissioner shall forward the issued ballot papers for each constituency to the Returning Officer, and he shall forward with them an extract from the ballot paper account of each presiding officer relating to that constituency, and an account of his own counting of the issued and unissued papers for that constituency.

#### COUNTING OF VOTES

34. The Returning Officer shall, as soon as may be practicable after the close of the poll, appoint a date, time and place for the counting of votes, and shall give notice in writing thereof to all candidates and election agents.

35. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14.

(2) No person shall be appointed to assist in counting the votes who is a candidate or who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

36. On the day and at the time appointed under regulation 34, the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920. to such persons as may be present, and shall then proceed as follows:—

(a) The Returning Officer shall open separately each parcel of ballot papers received by him from a Deputy Commissioner, count them or cause them to be counted in his presence, and shall verify the ballot paper account for each polling station with the number of ballot papers forwarded to him as found in the ballot box of that polling station;

(b) The Returning Officer shall then mix together all the ballot papers so taken out from the parcels and distribute them in convenient bundles to the persons appointed to assist in counting the votes;

(c) When the ballot papers have been so distributed, but not before, the Returning Officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, the ballot papers and shall on every ballot paper which is wholly or partially rejected endorse the word "rejected". If any candidate or agent present questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on the back of any ballot paper.

(d) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, secure the ballot papers, parcels and other documents relating to the election under the seal provided and the seals of such candidates or agents as may desire to affix them, and shall cause adequate precautions to be taken for their custody.

37. (1) A ballot paper shall be rejected if—

- (a) it has not on it the official mark,
- (b) it is marked with a cross opposite the name of more than one candidate,
- (c) no vote is recorded thereon,
- (d) it is void for uncertainty,
- (e) it bears any mark by which the elector can be identified.

(2) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition.

**38.** The Returning Officer shall then make into convenient bundles the ballot papers, close and seal them with the seal provided and shall record on each bundle a description of its contents and the date of the election to which it refers.

**39.** The Returning Officer shall then prepare and certify a return setting forth—

- (1) the result of the verification referred to in regulation 36(a),
- (2) the names of the candidates for whom valid votes have been given,
- (3) the number of valid votes given for each candidate,
- (4) the name of the candidate elected, and
- (5) the number of votes declared invalid,

and shall permit any candidate or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

**40.** The Returning Officer shall, after reporting the result of the election under sub-rule (9) of rule 14, forward the return mentioned in the last preceding regulation to the Secretary to Government, Punjab (Transferred Department), and shall forward for safe custody to the Deputy Commissioner of the district, in which counting of votes took place, all the papers dealt with by him.

**41.** The following regulations 42 to 48 inclusive shall apply to elections for the Landholders' constituency.

**42.** The Returning Officer of the constituency shall fix a place, date and time for the counting of votes, and shall, not less than 15 days previous to that date, forward by registered post to each elector of the constituency, addressed to him in the district in which he is registered as an elector, a ballot paper stamped with the prescribed official mark after noting on its counterfoil the number on the electoral roll of the elector to whom it is sent; and he shall at the same time send the elector a copy in English of regulations 43, 44 and 45 and shall communicate to him his electoral number and the date fixed for the counting of votes.

**42A.** An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on returning it to the Returning Officer, and satisfying him of the inadvertence before 3 o'clock on the date preceding that fixed for the counting of votes, obtain another ballot paper in place of the spoilt paper and the latter shall, together with its counterfoil be marked as cancelled.

**42B.** An elector whose ballot paper has been returned to the Returning Officer as undelivered may, on making an application in writing signed by himself before the Returning Officer or a Magistrate, obtain the undelivered envelope containing the ballot paper or require the Returning Officer to forward it to him again by registered post.

**43.** No account will be taken of a ballot paper unless it is received by the Returning Officer not later than the day before that fixed for the counting of votes, or if for any of the reasons given in regulation 37 it is invalid.

**44.** The election shall not be invalidated because an elector to whom a ballot paper has been duly forwarded failed to receive it in time to enable him to return it to the Returning Officer not later than the day prescribed.

**45.** (1) An elector to whom a ballot paper has been sent under regulation 42 may mark it in favour of the candidate for whom he desires to vote and shall put into the envelope supplied for the purpose by the Returning Officer and close the envelope and place that envelope with a covering letter in a second envelope and cause the envelope containing the closed envelope and the covering letter to be delivered by post or otherwise to the Returning Officer of the constituency, provided that account will not be taken of the ballot paper in the closed envelope unless the covering letter which accompanies it bears on it the signature and electoral number of the elector, and is countersigned and sealed

with the seal of his office by the Returning Officer, or by a Justice of the Peace, or by any Magistrate or Civil Judge having jurisdiction in British territory, or by a Political Officer not lower in rank than an Assistant Political Agent of a State in India, or by the Chief Judge or the highest judicial authority of a State in India who shall certify that the elector has signed the covering letter in his presence and that the elector is personally known to him or has been identified by some person who is personally known to him.

(2) An elector who for any reason is unable to sign the covering letter shall affix his thumb mark and immediately under it his name shall be clearly written.

46. The Returning Officer shall open all envelopes received by him before the date fixed for the counting of votes, and shall make a mark in the electoral roll against the name of the elector purporting to sign the covering letter to indicate that his ballot paper has been received; and in every case in which the covering letter is duly authenticated shall deposit in a locked and sealed ballot box the closed envelope containing the ballot paper unopened, and in another locked and sealed box the covering letter.

47. If a closed envelope containing a ballot paper is received by the Returning Officer purporting to contain the ballot paper of an elector whose covering letter is not duly authenticated or whose name has already been marked as having voted, the Returning Officer shall endorse the envelope containing the ballot paper with the name of the elector and his electoral number and shall place it with its covering letter in a separate parcel and deal with such ballot paper as a tendered ballot paper.

48. The Returning Officer shall notify to the candidates, or their agents, the place, date and time fixed by him for the counting of votes, and at such place, date and time he shall open the ballot box and shall proceed in the manner prescribed for the Returning Officer of a general constituency in connection with the counting of votes and the action to be taken thereafter, in so far as it is applicable, and shall make out an account of ballot papers issued and received back and of the tendered ballot papers and shall make into separate parcels sealed with the seal provided and marked outside with the name of the constituency and the nature of the contents, the ballot papers returned, the covering letters received with ballot papers deposited in the ballot box, the tendered ballot papers with their covering letters, the counterfoils of the ballot papers which have been issued, the ballot papers which have not been issued and the marked copy of the electoral roll; and he shall make these into a package sealed and marked as prescribed above and shall forward the package for safe custody to the Deputy Commissioner of the district in which the counting of votes took place.

49. While in the custody of the Deputy Commissioner to whom they have been so forwarded, the parcels of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof and the marked copy of the electoral roll, shall not be opened and their contents shall not be inspected or produced except under the order of a competent Court or of Commissioner, appointed to hold an inquiry in respect of an election, but all other documents relating to the election shall be open to public inspection, subject to such conditions and to the payment of such fee, if any, as the local Government may impose.

50. The parcels aforesaid shall be retained for a period of one year and shall thereafter be destroyed subject to any direction to the contrary made by the local Government, or by a competent Court or by Commissioners appointed to hold an inquiry in respect of an election.

51. The Deputy Commissioner may delegate any of the duties imposed by these Regulations on a Deputy Commissioner as such, to any gazetted officer, if he is unavoidably prevented from performing the same.

Provided that if the presiding officer, owing to the occurrence within the polling station of rioting or disorder beyond his control, is compelled to close the poll before the hour so appointed by Government, the poll shall be adjourned to the following day to an hour to be fixed by the presiding officer and shall remain open on that day for a period equal to the period during which the recording of votes was prevented on the previous day.

31. No ballot paper shall be issued after the closing hour appointed under regulation 28 but any voter who has received his ballot paper before that hour shall be allowed a reasonable opportunity to record his vote.

32. Each polling station shall be furnished with such number of compartments, in which voters can record their votes screened from observation, as the Returning Officer thinks necessary.

33. The Returning Officer shall provide at each polling station one ballot box for each of the candidates on which his name shall be written. 35. Every ballot box shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show the ballot box empty to such persons as may be present in such station so that they may see that it is empty, and shall then lock it up, and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and keep it so locked and sealed.

38. The elector, on receiving the ballot paper, shall forthwith proceed into the compartment in the polling station and shall put his ballot paper into the ballot box of the candidate for whom he wishes to vote. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

39. (1) If more than one member is to be elected for any constituency, the presiding officer shall give the voter as many ballot papers as there are members, to be elected and shall explain to him that each ballot paper must be placed in a different ballot box.

(2) Each such ballot paper shall bear the same serial number.

(3) If the elector places more than one ballot paper in the same box, the votes shall be invalid and shall not be counted.

40. The presiding officer shall give such assistance as may be required to any elector who is by reason of infirmity or illiteracy unable to vote in the manner prescribed.

41. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or a polling agent, put to the elector the following questions:—

42. The ballot paper shall be in Form IX annexed to these regulations and shall be serially numbered on the back.

43. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to receive a ballot paper. Such ballot paper (hereinafter referred to as a tendered ballot paper) shall be in Form X annexed to these regulations and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the candidate for whom such person desires to vote and with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the voter and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form XI annexed to these regulations, which shall bear the heading "Tendered votes list". The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

44. If any polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged voters (which shall be in Form XII annexed to these regulations) his name and address or, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in regulation 41 answers the first question in the affirmative and the other questions in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged voters.

45. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoiled paper and the latter shall, together with the entry relating to it in the ballot paper list, be marked as cancelled.

46. A presiding officer, polling officer or polling agent who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by a Returning Officer to be entitled to vote at the election for the constituency in connection with which he is employed or for any other constituency, be allowed to record his vote at that polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered on the

ballot paper list together with his number in the electoral roll for the constituency in which that polling station is situated. He shall record on the back of the certificate given by the Returning Officer only the name of the candidate to whom he gives his vote and, unless the voter be the presiding officer himself, hand it with the ballot paper to the presiding officer.

47. (1) Such certificate and ballot paper shall be placed in an envelope and sealed by the presiding officer and returned to the Returning Officer who has granted the certificate and such Returning Officer shall cause such vote to be included among the other votes given for the candidate designated by the voter.

(2) The certificates received by the Returning Officer with ballot papers under this regulation shall be preserved for the same period and by the same authority as the ballot papers.

48. The presiding officer of each polling station as soon as practicable after the close of the poll shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seals of such candidates or agents as may desire to affix their seals—

- (1) each ballot box in use at each station unopened but with the key attached and the slit in the lid sealed up;
- (2) the unused ballot papers;
- (3) the tendered ballot papers,
- (4) the spoilt ballot papers;
- (5) the marked copy of the electoral roll;
- (6) the ballot paper lists;
- (7) the tendered votes list; and
- (8) the list of challenged votes;

and shall deliver such packets to the Returning Officer.

49. The packets shall be accompanied by a statement made by the presiding officer, showing the number of ballot papers entrusted to him and accounting for them under the heads of ballot papers in the ballot box, unused spoilt, and tendered ballot papers, and ballot papers dealt with under regulation 46.

#### *Counting of Votes in Constituencies other than the Landholders' Constituency*

50. The Returning Officer shall, as soon as may be practicable after the close of the poll, appoint a date, time and place for the counting of votes and shall give notice in writing thereof to all candidates and election agents.

51. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14.

(2) No person shall be appointed to assist in counting the votes who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

52. On the day and at the time appointed under regulation 50 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted and record the number thereof in a statement. Such statement shall not be shown to any candidate, election agent or representative.

(b) After the number of ballot papers received in each box from each polling station has been recorded, the ballot papers given to each candidate will be put together in convenient bundles and thereafter the Returning Officer shall allow the candidates, their election agents, and any representatives duly authorised

under sub-rule (6) of rule 14, reasonable opportunity to inspect, without handling, the ballot papers and shall on every ballot paper which is wholly or partially rejected endorse the word "rejected". If any candidate, election agent or representative presents questions the correctness of the rejection, the Returning Officer shall also record on the ballot paper the grounds for the rejection. No candidate, agent or representative shall be allowed to see the serial number on the back of any ballot paper.

(c) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates, agents, or representatives, as may desire to affix their seals, and shall cause adequate precautions to be taken for their custody.

53. (1) A ballot paper shall be rejected if—

- (a) it has not on its back the official mark,
- (b) it bears any mark by which the elector can be identified.

(2) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition claiming the seat.

54. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the ballot paper lists. He shall verify the statement submitted by the presiding officer under regulation 49 by comparing it with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and reseat each packet which has been opened by him, and shall record on each packet a description of its contents and the date of the election to which it refers.

55. The Returning Officer shall then prepare and certify a return in Form XVII setting forth—

- (1) the result of the verification referred to in regulation 54,
- (2) the names of the candidates for whom valid votes have been given,
- (3) the number of valid votes given for each candidate,
- (4) the name or names of the candidate or candidates elected,
- (5) the number of votes declared invalid, and
- (6) the number of tendered votes given,

and shall permit any candidate, election agent, or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

#### *Voting in the Landholders' Constituency*

56. The local Government shall appoint the hour at which the poll shall commence and the hour at which it shall close on the date appointed for the poll under clause (c) of sub-rule (2) of rule 11. The hours so fixed shall be published by notification in the *Bihar and Orissa Gazette* and in such other manner as the local Government may prescribe.

57. Not less than fifteen clear days before the date fixed for the poll, the Returning Officer shall send by registered post a declaration paper and a ballot paper (hereinafter referred to collectively as voting papers) to each elector to the address entered against his name in the electoral roll.

58. The declaration paper shall be in Form XIII and the ballot paper in Form XIV. To each elector shall be issued the voting papers whose serial numbers correspond to the number which the elector bears on the electoral roll. The same serial number shall be entered on the face of the declaration paper and on the back of the ballot paper.

59. Before the election papers are issued to an elector, the Returning Officer shall—

- (a) have the name of the elector entered on the declaration paper; and
- (b) place his initials against the name of the elector concerned in the electoral roll, or the copy of it used for the purpose of the election.

60. With the voting papers, the Returning Officer shall send an envelope addressed to himself in Form XV, a smaller envelope with the number of the ballot paper entered on its face and a letter in Form XVI. The Returning Officer shall have the number of the ballot paper entered at the left-hand bottom corner of the larger envelope.

61. Each elector upon receipt of his voting papers, if he desires to vote in the election, shall first sign the declaration in the presence of an Attesting Officer who shall attest his signature, whereupon the elector may record his vote on the ballot paper.

62. Any gazetted officer of Government may attest the declaration.

63. After recording his vote the elector shall enclose his ballot paper in the smaller envelope, fasten up the smaller envelope and enclose it with the declaration paper in the larger envelope which he shall send by post to the Returning Officer so as to reach him not later than the hour fixed under Regulation 58 for the closing of the poll. Envelopes received after that hour shall be rejected:

Provided that the elector may, at his option, instead of sending the envelope to the Returning Officer by post, deposit it in a ballot box which shall be provided for the purpose at the office of the Returning Officer during the hours fixed for the poll under the aforesaid regulation.

64. If an elector is incapacitated from blindness or other physical cause from voting in the manner prescribed above, it shall be competent for him to make his declaration and to record his vote by the hand of any officer empowered to attest his declaration; and such officer shall certify on the declaration paper the incapacity and attest the fact of his having been requested by the elector to sign the declaration paper and to mark the ballot paper for him, and of their having been so signed and marked by him in the presence of the elector.

65. An elector who has not received his voting papers, or whose voting papers before their despatch back to the Returning Officer have been inadvertently spoilt in such manner that they cannot be conveniently used as such, or who has lost his voting papers may, on making a declaration to that effect, obtain from the Returning Officer new voting papers. In every case when new voting papers are issued a mark shall be placed against the number of the elector's name in the roll to denote that new papers have been issued in place of those not received, spoilt or lost, as the case may be.

66. No election shall be invalidated by reason that an elector has not received the voting papers duly sent to him under these regulations.

#### *Counting of Votes in the Landholders' Constituency*

67. The Returning Officer shall, as soon as may be practicable after the close of the poll, fix a date, time and place for the counting of votes, and shall give notice in writing thereof to all candidates and their election agents.

68. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14

(2) No person shall be appointed to assist in counting the votes who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election

69. On the day and at the time appointed under regulation 67 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) The envelopes in Form XV received from electors by the Returning Officer, except those rejected under regulation 63, shall first be arranged serially according to the numbers entered on them and shall then be opened by the Returning Officer or in his presence. The Returning Officer shall first ascertain

or cause to be ascertained whether the numbers on the declaration papers and the smaller envelopes containing the ballot papers are correct.

(b) If the Returning Officer is satisfied on this point and if the declaration and attestation appear to be regular, he shall file the declaration papers and put the closed envelopes containing the ballot papers in a separate heap.

(c) Where the Returning Officer is not satisfied that a declaration paper is the one sent out by him to the elector concerned, or where the declaration or attestation is not in order, or where the elector has failed to comply with the provisions of regulation 63, he shall endorse the word 'rejected' on the back of the declaration paper and keep it with the connected ballot paper in a separate bundle.

(d) The envelopes containing the ballot papers except those rejected under regulation 63 or clause (c) of this regulation shall then be opened, the papers examined, and the votes counted by the Returning Officer or under his supervision.

(a) The Returning Officer shall allow the candidates, their election agents and any representatives duly authorised under sub-rule (6) of rule 14 reasonable opportunity to inspect, without handling, the ballot papers and shall on every ballot paper which is rejected endorse the word 'rejected'. If any candidate, election agent or representative presents questions the correctness of the rejection, the Returning Officer shall also record on the ballot paper the grounds for the rejection. No candidate, agent or representative shall be allowed to see the serial number on the back of any ballot paper.

70. The Returning Officer shall as far as practicable, proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates, agents or representatives as may desire to affix their seals, and shall cause adequate precautions to be taken for their custody.

71. (1) A ballot paper shall be rejected if—

- (a) it has not been issued by the Returning Officer;
- (b) no vote is recorded thereon;
- (c) it is void for uncertainty;
- (d) it bears any mark by which the elector can be identified.

(2) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition claiming the seat.

72. Upon the completion of the counting the Returning Officer shall seal up in separate packets—

- (1) the counted ballot papers;
- (2) the rejected declaration papers and connected ballot papers;
- (3) the ballot papers rejected at the count;
- (4) the file of declaration papers; and
- (5) the marked copy of the electoral roll.

73. The Returning Officer shall then prepare and certify a return in Form XVII setting forth—

- (1) the names of the candidates for whom valid votes have been given;
- (2) the number of valid votes given for each candidate;
- (3) the name of the candidate elected; and
- (4) the number of votes declared invalid;

and shall permit any candidate, election agent, or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

*Regulations applicable to all Constituencies*

74. The Returning Officer shall, after reporting the result of the election under rule 14,—

(1) forward a copy of the return to the Chief Secretary to the local Government and also to the Secretary to the Government of India in the Legislative Department; and

(2) forward the original return and all the packets relating to the election in his possession to such officer as may be appointed by the local Government in this behalf.

75. While in the custody of the officer to whom they have been so forwarded, the packets of ballot papers whether counted, rejected or tendered, and of the ballot papers and tendered votes lists and in the case of postal elections the declaration papers and the rejected declaration papers with their connected ballot papers shall not be opened and their contents shall not be inspected or produced except under the order of a competent Court or of Commissioners appointed to hold an inquiry in respect of an election but all other documents relating to the election shall be open to public inspection subject to such conditions and to the payment of such fee, if any, as the local Government may impose.

76. The packets aforesaid shall be retained for a period of one year and shall thereafter be destroyed subject to any direction to the contrary made by the local Government, or by a competent Court or by Commissioners appointed to hold an inquiry in respect of an election.

The hours so fixed shall be published by notification in the Gazette and in such other manner as the local Government may direct.

18. (1) The Returning Officer shall select for each constituency as many polling stations as he thinks necessary and shall publish, in such manner as the local Government may prescribe, a list showing the polling stations so selected, and the polling areas for which they have respectively been selected.

(2) The Returning Officer shall appoint a presiding officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the presiding officer as he thinks necessary.

19. (1) The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except—

(a) the polling officers, the candidates, and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing ~~by the~~ candidate, and authorised in this behalf by the Returning Officer,

(b) the police or other public servants on duty, and

(c) such other persons as the presiding officer may from time to time admit for the purpose of identifying electors.

(2) The presiding officer shall close the polling station at the hour appointed in that behalf by the local Government under regulation 17, so as to prevent the admission thereto of any voter after that hour.

20. No ballot paper shall be issued after the closing hour appointed under regulation 17, but any voter who has received his ballot paper before that hour shall be allowed a reasonable opportunity to record his vote.

21. Each polling station shall be furnished with such number of compartments, in which voters can record their votes screened from observation, as the Returning Officer thinks necessary.

22. (1) The Returning Officer shall provide at each polling station materials sufficient for the purpose of enabling voters to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret, and a period of not less than seven years shall intervene between the use of the same official mark at elections for the same constituency.

23. Every ballot box shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show the ballot box empty to such persons as may be present in such station, so that they may see that it is empty and shall then lock it up, and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

24. Before the polling station is open for the recording of votes, the presiding officer shall read to such persons as may be present the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, and shall explain the substance thereof in the vernacular of the district.

25. Immediately before a ballot paper is delivered to an elector, it shall be marked on the back with the official mark, and the number, name and

description of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil, and a mark shall be placed in a copy of the electoral roll against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. On the counterfoil shall be entered the name of the constituency and the name or distinctive number of the polling station.

26. The elector, on receiving the ballot paper, shall forthwith proceed into one of the compartments in the polling station, and there mark his paper, and fold it up so as to conceal his vote, and, after shewing to the presiding officer the official mark, shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

27. The presiding officer shall give such assistance as may be required to any elector who is by reason of infirmity or illiteracy unable to vote in the manner prescribed.

28. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and

(2) Have you already voted at the present election in this constituency? and at a general election—

(3) Have you already voted at this general election for the Legislative Assembly in any other general constituency?

and the elector shall not be supplied with a ballot paper if he refuses to answer one of the questions and unless he answers the first question in the affirmative, the second question in the negative and, at a general election, the third question also in the negative.

29. The ballot paper shall be in Form II annexed to these regulations and shall contain the names of candidates printed thereon. The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

30. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officers may ask, be entitled to mark a ballot paper in the same manner as any other voter. Such ballot paper (hereinafter referred to as a tendered ballot paper) shall be of a colour different from the other ballot papers, and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the voter and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form III annexed to these regulations, which shall bear the heading "Tendered votes list." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

31. If any polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged voters (which shall be in Form IV annexed to these Regulations) his name and address, or, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in regulation 27 answers

the first question in the affirmative and the other questions in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged votes.

32. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall, together with its counterfoil, be marked as cancelled.

33. A presiding officer, polling officer, or polling agent who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by a Returning Officer to be entitled to vote at the election for the constituency in connection with which he is employed or for any other constituency, be allowed to record his vote at the polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with his number in the electoral roll for the constituency in which that polling station is situated.

34. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in regulation 33 of the Returning Officer who has granted the same, and such Returning Officer shall cause such vote to be included among the other votes given for the candidate designated by the voter.

35. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal—

(1) each ballot box in use at each station unopened but with the key attached;

(2) the unused ballot papers;

(3) the tendered ballot papers;

(4) the spoilt ballot papers;

(5) the marked copy of the electoral roll;

(6) the counterfoils of the ballot papers.

(7) the tendered votes list; and

(8) the list of challenged votes;

and shall deliver such packets to the Returning Officer

36. The packets shall be accompanied by a statement in Form V made by the presiding officer, showing the number of ballot papers entrusted to him, and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt and tendered ballot papers and ballot papers dealt with under regulation 33.

#### *Counting of Votes*

37. The Returning Officer shall, as soon as may be practicable, after the close of the poll, appoint a date, time and place for the counting of votes and shall give notice in writing thereof to all candidates and election agents

38. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (3) of rule 14.

(2) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

39. On the day and at the time appointed under regulation 37 the Returning Officer shall, before he commences to count the votes, read the provisions

of section 14 of the Indian Elections Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted, and record the number thereof in a statement. Such statement shall not be shewn to any candidate or agent.

(b) The Returning Officer shall then mix together all the ballot papers so taken out from the ballot boxes and distribute them in convenient bundles to the persons appointed to assist in counting the votes.

(c) When the ballot papers have been so distributed, but not before, the Returning Officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, the ballot papers, and shall on every ballot paper which is wholly or partially rejected endorse the word "rejected." If any candidate or agent present questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on the back of any ballot paper.

(d) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or agents as may desire to affix them, and shall cause adequate precautions to be taken for their custody.

40. (1) A ballot paper shall be rejected if—

- (a) it has not on its back the official mark,
- (b) the number of votes recorded thereon exceeds the number of vacancies to be filled,
- (c) no vote is recorded thereon,
- (d) it is void for uncertainty,
- (e) it bears any mark by which the elector can be identified.

(2) The decision of Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition claiming the seat.

41. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under regulation 36 by comparing it with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then re-close and reseal each packet which has been opened by him, and shall record on each packet a description of its contents and the date of the election to which it refers.

42. The Returning Officer shall then prepare and certify a return setting forth—

- (1) the result of the verification referred to in regulation 41,
- (2) the names of the candidates for whom valid votes have been given,
- (3) the number of valid votes given for each candidate,
- (4) the name of the candidate elected,
- (5) the number of votes declared invalid, and
- (6) the number of tendered votes given.

and shall permit any candidate or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

#### *Disposal of Ballot Papers*

43. The Returning Officer shall, after reporting the result of the election under rule 14, forward the return to the Secretary to the Assam Legislative Council and all the packets relating to the election in his possession to the Inspector General of Registration.

44. While in the custody of the Inspector General of Registration, the packets of the ballot papers, whether counted, rejected, or tendered, and of the counterfoils thereof shall not be opened and their contents shall not be inspected or produced except under the order of a competent Court or of Commissioners appointed to hold an inquiry in respect of an election, but all other documents relating to the election shall be open to public inspection subject to such conditions and to the payment of such fee, if any, as the local Government may impose.

45. The packets aforesaid shall be retained for a period of one year and shall thereafter be destroyed subject to any direction to the contrary made by the local Government, or by a competent Court or by Commissioners appointed to hold an inquiry in respect of an election.

This mark shall not indicate the number of the ballot paper which the elector has received.

23. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading whole entry from the roll)? and,

(2) Have you already voted at the present election in this constituency?

and the elector shall not be supplied with a ballot paper if he refuses to answer either of the questions and unless he answers the first question in the affirmative and the second question in the negative.

24. If the elector is literate, he shall, on receiving the ballot paper, forthwith proceed to a place screened from observation which shall be set apart for the purpose and shall there mark a cross against the name of the candidate whom

he prefers. He shall then fold the ballot paper so as to cancel his vote and shall put the ballot paper so folded into the ballot box.

25. If the elector is illiterate or by reason of infirmity is unable to vote in the manner prescribed, the presiding officer or polling officer shall at his request in the view of any polling agents who are present make a cross on the ballot paper according to the direction of the elector, and shall cause the ballot paper so marked to be placed in the ballot box.

26. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to mark a ballot paper in the same manner as any other voter. Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be of a colour different from the other ballot papers, and, instead of being put in the ballot box, shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the returning officer. The name of the voter and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form V annexed to these regulations, which shall bear the heading "Tendered votes list". The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

27. An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoiled paper, and the latter shall, together with its counterfoil, be marked as cancelled.

28. A presiding officer, polling officer, polling agent or clerk employed by the presiding officer who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by the returning officer to be entitled to vote at the election for the constituency, be allowed to record his vote at that polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with his number in the electoral roll for the polling area in which that polling station is situated.

29. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in regulation 28 to the returning officer who has granted the same and such returning officer shall cause such vote to be included among the other votes for the candidate designated by the elector.

30. The presiding officer of each polling station as soon as practicable after the close of the poll shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal—

- (1) each ballot box in use at each station, unopened but with the key attached;
- (2) the unused ballot papers;
- (3) the tendered ballot papers;
- (4) the spoiled ballot papers;
- (5) the marked copy or copies of the electoral roll;
- (6) the counterfoils of the ballot papers;
- (7) the tendered votes list; and
- (8) the electors' identification slips,

and shall deliver such packets to the returning officer.

31. The packets shall be accompanied by a statement in Form VI made by the presiding officer, showing the number of ballot papers entrusted to him,

and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under regulation 28.

#### COUNTING OF VOTES

32. The returning officer shall appoint a date, as soon as may be practicable after the close of the poll, and a time and place for the counting of the votes and shall give notice in writing thereof to all candidates and election agents.

33. (1) No person shall be allowed to be present at the counting of the votes except the returning officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14.

(2) No person shall be appointed to assist in counting the votes who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

34. On the day and at the time appointed under regulation 32 the returning officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Elections Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another, and the returning officer shall take out the papers therefrom, count them or cause them to be counted, and record the number in each box separately in a statement. Such statement shall not be shown to any candidate or agent.

(b) The returning officer shall then mix together all the ballot papers so taken out from the ballot boxes and distribute them in convenient bundles to the persons appointed to assist in counting the votes.

(c) When the ballot papers have been so distributed, but not before, the returning officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, the ballot papers, and shall on every ballot paper which is rejected endorse the word "rejected". If any candidate or agent present questions the correctness of the rejection he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on any ballot paper.

(d) The returning officer shall, as far as practicable, proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets, and other documents, relating to the election under his own seal and the seal of such candidate or agents as may desire to affix them and shall cause adequate precautions to be taken for their custody.

35. (1) A ballot paper shall be rejected if:—

- (a) it has not the official mark,
- (b) more than one vote is recorded thereon,
- (c) no vote is recorded thereon,
- (d) it is void for uncertainty,
- (e) it bears any mark by which the elector can be identified.

(2) The decision of the returning officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition claiming the seat.

36. The returning officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoil of the ballot papers. He shall verify the statement submitted by the presiding officer under regulation 31 by comparing it with the number of counted votes and rejected ballot papers, the unused or spoilt ballot papers in his possession and the tendered votes list, shall then reclose and reseal each packet which has been opened by him, shall record on each packet a description of its contents and the date of the election to which it refers.

37. The returning officer shall then prepare and certify a return setting forth—

- (1) the result of the verification referred to in regulation 86,
- (2) the names of the candidates for whom valid votes have been given,
- (3) the number of valid votes given for each candidate,
- (4) the name of the candidate elected,
- (5) the number of votes declared invalid,
- (6) the number of tendered votes given,

and shall permit any candidate or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

38. The returning officer shall after reporting the result of the election under rule 14 retain in safe custody the return and all the packets relating to the election in his possession.

**The appointment of Returning Officers**

1. The Returning Officer for the constituency shall be an officer appointed by notification in the local official Gazette and any officer deputed for the time being by such Returning Officer to perform his duties under his direct supervision:

Provided that no such officer shall perform any of the functions of the Returning Officer which relate to the acceptance of a nomination paper, or to the scrutiny of nominations or to the counting of votes, unless the Returning Officer is unavoidably prevented from performing the same, in which case the said functions may be performed by the officer so deputed.

**Scrutiny of Nominations**

2. On the date appointed by the Local Government for the scrutiny of nominations under sub-rule (2) of rule 11, the candidates, their election agents, one proposer and one seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Returning Officer may appoint and the Returning Officer shall give them all reasonable facilities for examining the nomination papers\* of all candidates which have been delivered within the time and in the manner prescribed in rule 11.

3. (1) The Returning Officer shall examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or his own motion, after such summary enquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

- (i) that the candidate is ineligible for election under rule 5 or rule 6;
- (ii) that a proposer or seconder is disqualified from subscribing a nomination paper under sub-rules (4) of rule 11;
- (iii) that there has been any failure to comply with any of the provisions of rule 11 or rule 12;
- (iv) that the candidate or any proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be;
- (v) that the signature of the candidate or of any proposer or seconder is not genuine or has been obtained by fraud.

(2) For the purposes of this regulation—

(a) the production of any certified copy of an entry made in the electoral roll of the constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper, as the case may be, unless it is proved that the candidate is disqualified under rule 5 or rule 6 or, as the case may be, that the proposer or seconder is disqualified under sub-rule (4) of rule 11, and

(b) where a person has subscribed whether as proposer or seconder more than one nomination paper, the paper so subscribed which was first received shall be deemed to be valid.

(3) Nothing contained in clause (ii), clause (iii), clause (iv), or clause (v) of sub-regulation (1) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

4. (1) Returning Officer shall endorse on each nomination paper his decision excepting or rejecting the same, and, if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

\*Printed forms of nomination paper prescribed in Schedule III will be supplied free of cost by the Deputy Commissioner on application by bona fide candidates.

(2) The scrutiny shall be completed on the day appointed in this behalf under clause (b) of sub-rule (2) of rule 11 and no adjournment of the proceedings shall be allowed.

5. On completion of the scrutiny of nominations and after the expiry of the period within which candidature may be withdrawn under sub-rule (8) of rule 11, the Returning Officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

6. If more than one candidate is duly nominated, the Returning Officer shall forthwith publish in the local official Gazette and at the headquarters of districts and tehsils in the constituency, the names of the candidates as given in the nomination papers in alphabetical order. And he shall also take such action as the Local Government may direct for the printing of ballot papers.

### Voting

7. Votes shall be recorded on the date or dates appointed for the poll under clause (c) of sub-rule (2) of rule 11 from 9 A.M. to 1 P.M. and from 1-30 P.M. to 4 P.M.: the dates so fixed and the hours shall be published in the manner prescribed for the publication of the electoral roll.

8. (1) The Deputy Commissioner of each district shall select as many polling stations as he thinks necessary and shall publish, in the manner prescribed for the publication of the electoral roll, a list showing the polling stations so selected, and the polling areas for which they have respectively been selected. And no person shall be permitted to vote except at the polling station of the area in which he is registered except as provided in regulation 23.

(2) The Deputy Commissioner shall appoint a presiding officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the presiding officer as he thinks necessary.

9. (1) The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except—

(a) the polling officers, the candidates, and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing by the candidate,

(b) the police or other public servants on duty, and

(c) such other persons as the presiding officer may from time to time admit for the purpose of identifying electors.

(2) The presiding officer shall close the polling station at the hour appointed under regulation 7 so as to prevent the admission thereto of any voter after that hour.

10. No ballot paper shall be issued after the closing hour appointed under regulation 7, but any voter who has received his ballot paper before that hour shall be allowed a reasonable opportunity to record his vote.

11. In each polling station arrangements shall be made to enable the voters to record their votes screened from all observation.

12. (1) The Deputy Commissioner shall provide at each polling station materials sufficient for the purpose of enabling voters to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret.

13. Every ballot box shall be marked with the name of the legislative body and of the district and polling station for which it is to be used. It shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station immediately before the commencement of the poll shall show the ballot box empty to such persons as may be present in such station so that they may see that it is empty, and shall then lock it up, and place upon it the seal provided for the purpose in such manner as to prevent its

being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

14. Before the polling station is opened for the recording of votes, the presiding officer shall read to such persons as may be present the provisions of section 14\* of the Indian Elections Offences and Inquiries Act, 1920, and shall explain the substance thereof in the vernacular of the district.

15. On the counterfoil shall also be entered the name of the district, as well as the name and distinctive number of the polling station.

16. The elector, on receiving the ballot paper, shall forthwith proceed to mark his paper with a cross mark against the name of the candidate in whose favour he wishes to record his vote, and fold it up so as to conceal his vote, and, after showing to the presiding officer the official mark, shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

17. The presiding officer shall give such assistance as may be required to any elector who is by reason of infirmity, illiteracy or ignorance of Urdu unable to vote in the manner prescribed.

18. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and

(2) Have you already voted at the present election in this constituency? and at a general election—

(3) Have you already voted at this general election for the Legislative Assembly in any other general constituency?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative, the second question in the negative, and, at a general election, the third question also in the negative.

19. The ballot paper shall be in Form I annexed to these regulations. The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

20. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to mark a ballot paper in the same manner as any other voter. Such ballot paper (hereinafter referred to as a tendered ballot paper) shall be of a colour different from the other ballot

\*14. (1) Every officer, clerk, agent or other person who performs any duty in connection with the recording or counting of votes at an election shall maintain and aid in maintaining the secrecy of voting and shall not (except for some purpose authorised by or under any law) communicate to any person any information calculated to violate such secrecy.

(2) Any person who wilfully acts in contravention of the provisions of this section shall be punished with imprisonment of either description for a term not exceeding three months, or with fine, or with both.

papers, and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the voter and his number in the electoral roll and the name and distinctive number of the polling station to which the roll relates shall be entered in a list in Form II annexed to these regulations, which shall bear the heading "Tendered votes list". The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in the list.

21. If any polling agent declares and undertakes to prove that any person, by applying for a ballot paper, has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged votes (which shall be in Form III annexed to these regulations) his name and address, or, if he is unable to write, to affix his thumb-impression thereto, and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in regulation 18 answers the first question in the affirmative and the other questions in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged votes.

22. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall, together with its counterfoil, be marked as cancelled.

23. A presiding officer, polling officer or polling agent who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by the Returning Officer to be entitled to vote at the election in connection with which he is employed, be allowed to record his vote at that polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with his number in the electoral roll.

24. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in regulation 23 to the Returning Officer who has granted the same, and such Returning Officer shall cause such vote to be included among the other votes given for the candidate designated by the voter.

25. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with the seal provided and the seal of such candidates or agents as may desire to affix their seals—

- (1) each ballot box in use at each station unopened but with the key attached and with the slit in the lid covered with cloth sealed with the seal provided,
- (2) the unused ballot papers,
- (3) the tendered ballot papers,
- (4) the spoilt ballot papers,
- (5) the marked copy of the electoral roll,
- (6) the counterfoils of the ballot papers,
- (7) the counterfoils of the tendered ballot papers,
- (8) the tendered votes list, and
- (9) the list of challenged votes.

26. Outside every parcel made under the last preceding regulation, the presiding officer shall note under his signature the name of the polling station and the nature of the contents of the parcel, and he shall then make all the parcels into one package, and he shall then seal the package with the seal provided and mark on it the name and number of the polling

station and he shall then make over the package with the least possible delay to a police officer deputed to take charge of it at the polling station.

27. The police officer shall be responsible for the safeguarding of the package made over to him and shall forward it with the least possible delay to the Returning Officer.

28. The presiding officer for each polling station shall also forward to the Returning Officer in Form IV appended to these regulations an account of ballot papers.

### Counting of Votes

29. The Returning Officer shall appoint a time, place and date (which shall be as soon as practicable after the close of the poll) for counting of votes, and shall give notice thereof in writing to all candidates and election agents.

30. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (6) of rule 14.

(2) No person shall be appointed to assist in counting the votes who is a candidate or who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

31. On the day and at the time appointed under regulation 29 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14\* of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows:—

(a) After the receipt of ballot boxes from all polling stations in the constituency the ballot boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them, or cause them to be counted, and record the number thereof in a statement. Such statement shall not be shown to any candidate or agent until after the verification provided for in regulation 33.

(b) After the number of ballot papers received in each box from each polling station has been recorded, the paper from all the boxes shall be mixed together. They shall then be sorted according to the candidates for whom they have been cast, and distributed in convenient bundles to persons appointed to assist in counting the votes.

(c) When the ballot papers have been so distributed, but not before, the Returning Officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, the ballot papers, and shall on every ballot paper which is wholly or partially rejected endorse the word "rejected". If any candidate or agent present questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see any serial number on the back of any ballot paper.

(d) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes and shall, during any unavoidable intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or agents as may desire to affix them, and shall cause adequate precautions to be taken for their custody.

32. (1) A ballot paper shall be rejected if—

- (a) it has not on it the official mark,
- (b) it is marked with a cross opposite the name of more than one candidate,
- (c) no vote is recorded thereon.

---

\*See footnote under regulation 14.

(d) it is void for uncertainty,

(e) it bears any mark by which the elector can be identified.

(2) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition.

33. The Returning Officer shall not open the sealed parcels of the tendered ballot papers, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statements submitted by the presiding officers under regulation 28 by comparing them with the statement prepared under regulation 31 (a) and the latter with the number of counted votes and rejected ballot papers, the unissued ballot papers in his possession and the tendered votes list, shall then reclose and reseal each parcel which has been opened by him, and shall record on each parcel a description of its contents and date of the election to which it refers.

34. The Returning Officer shall then prepare and certify a return setting forth—

(1) the result of the verification referred to in regulation 33,

(2) the names of the candidates for whom valid votes have been given,

(3) the number of valid votes given for each candidate,

(4) the name of the candidate elected, and,

(5) the number of votes declared invalid,

and shall permit any candidate or any representative duly authorised under sub-rule (6) of rule 14 to take a copy of or an extract from such return.

35. The Returning Officer shall after reporting the result of the election under sub-rule (9) of rule 14 forward the return mentioned in the last preceding regulation to the Secretary to Government, North-West Frontier Province, Home Department, and shall forward for safe custody to the Deputy Commissioner of the district in which the counting of votes took place, all the papers dealt with by him.

36. While in the custody of the Deputy Commissioner to whom they have been so forwarded, the parcels of ballot papers whether counted, rejected or tendered and of the counterfoils thereof and the marked copy of the electoral roll shall not be opened and their contents shall not be inspected or produced except under the order of a competent Court or of Commissioners appointed to hold an inquiry in respect of an election but all other documents relating to the election shall be open to public inspection, subject to such conditions and to the payment of such fee, if any, as the Local Government may impose.

37. The parcels aforesaid shall be retained for a period of one year and shall thereafter be destroyed subject to any direction to the contrary made by the Local Government, or by a competent Court or by Commissioners appointed to hold an inquiry in respect of an election.

## REGULATIONS FOR THE HOLDING OF ELECTIONS BY MEANS OF THE SINGLE TRANSFERABLE VOTE

## I. In these Regulations—

(1) "Assembly", "member" and "Secretary" have the meanings respectively assigned to them in the Standing Orders;

(2) "continuing candidates" means candidates not elected or not excluded from the poll at any given time;

(3) "exhausted papers" means ballot papers on which no further preference is recorded for a continuing candidate: provided that a paper shall also be deemed to be exhausted in any case in which—

(a) the names of two or more candidates, whether continuing or not, are marked with the same figure and are next in order of preference, or

(b) the name of the candidate next in order of preference, whether continuing or not, is marked—

(i) by a figure not following consecutively after some other figure on the ballot paper, or

(ii) by two or more figures;\*

(4) "first preference" means the figure 1 set opposite the name of any candidate; "second preference" similarly means the figure 2, "third preference" the figure 3, and so on;

(5) "original votes" in regard to any candidate means the votes derived from ballot papers on which a first preference is recorded for such candidate;

(6) "Standing Orders" means the Legislative Assembly Standing Orders;

(7) "surplus" means the number by which the value of the votes of any candidate, original and transferred, exceeds the quota as defined in Regulation XI;

(8) "transferred votes" in regard to any candidate means votes the value or part of the value of which is credited to such candidate and which are derived from ballot papers on which a second or subsequent preference is recorded for such candidate;

(9) "unexhausted papers" means ballot papers on which a further preference is recorded for a continuing candidate.

*Proposal of Candidates*

II. (1) When a motion for the reference to a Select Committee of draft amendments to the Standing Orders has been carried, the President will appoint a period within which notices may be given by any member desirous of proposing a member or members for election to the Committee.

(2) The provisions of Standing Order 11 shall apply to such notices, which shall be signed by the member giving notice who must satisfy himself that the members he suggests are willing to serve if elected.

\*The fact that a voter has not marked every preference correctly does not invalidate the whole of his preferences. His paper is only treated as exhausted when the wrongly marked preference is reached. The following are examples:—

A 1	A 1
B 2	B 2
(1) C 3	(2) C 3
D 3	D 5
E 4	E 6
	F—

In case (1) the preferences for A and B would be valid. If the third preference were reached the paper would be treated as exhausted, as it would be impossible to say for which candidate the voter really intended to give his third preference. In case (2) the preferences for A, B and C would be valid, but not the later ones: whether D had been elected or excluded or was still a continuing candidate. It is possible that the voter meant to give a fourth preference for some other candidate, e.g., F, but omitted to do so. It would not be possible to treat 5 as being meant to be 4.

shall thereupon deal with the sub-parcels in the same manner as is provided in the case of the sub-parcels referred to in clause (4).

(6) The papers transferred to each candidate shall be added in the form of a sub-parcel to the papers already belonging to such candidate.

(7) All papers in the parcel or sub-parcel of an elected candidate not transferred under this regulation shall be set aside as finally dealt with.

XV. (1) If after all surpluses have been transferred, as hereinbefore directed, less than the number of candidates required has been elected, the Returning Officer shall exclude from the poll the candidate lowest on the poll and shall distribute his unexhausted papers among the continuing candidates according to the next preferences recorded thereon. Any exhausted papers shall be set aside as finally dealt with.

(2) The papers containing original votes of an excluded candidate shall first be transferred, the transfer value of each paper being one hundred.

(3) The papers containing transferred votes of an excluded candidate shall then be transferred in the order of the transfers in which and at the value of which he obtained them.

(4) Each of such transfers shall be deemed to be a separate transfer.

(5) The process directed by this regulation shall be repeated on the successive exclusions one after another of the candidates lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota or as hereinafter provided.

XVI. If as the result of a transfer of papers under these regulations the value of the votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed, but no further papers shall be transferred to him.

XVII. (1) If after the completion of any transfer under these regulations the value of the votes of any candidate shall be equal to or greater than the quota, he shall be declared elected.

(2) If the value of the votes of any such candidate shall be equal to the quota, the whole of the papers on which such votes are recorded shall be set aside as finally dealt with.

(3) If the value of the votes of any such candidate shall be greater than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided, before the exclusion of any other candidate.

XVIII. (1) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be declared elected.

(2) When only one vacancy remains unfilled and the value of the votes of some one continuing candidate exceeds the total value of all the votes of the other continuing candidates together with any surplus not transferred, that candidate shall be declared elected.

(3) When only one vacancy remains unfilled and there are only two continuing candidates, and those two candidates have each the same value of votes and no surplus remains capable of transfer, one candidate shall be declared excluded under the next succeeding regulation, and the other declared elected.

XIX. If, when there is more than one surplus to distribute, two or more surpluses are equal, or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same value of votes and are lowest on the poll, regard shall be had to the original votes of each candidate, and the candidate for whom fewest original votes are recorded, shall have his surplus first distributed or shall be first excluded, as the case may be. If the values of their original votes are equal, the Returning Officer shall decide by lot which candidate shall have his surplus distributed or be excluded.

## APPENDIX

## ILLUSTRATIVE ELECTION

*Example of an election conducted on the system of the single transferable vote in accordance with the preceding regulations.*

Assuming that there are seven members to be elected, sixteen candidates, and one hundred and forty electors (Regulation VIII).

The valid ballot papers are arranged in separate parcels according to the first preference recorded for each candidate, and the papers in each parcel counted.

Let it be assumed that the result is as follows:—

A	..	..	..	..	..	..	12
B	..	..	..	..	..	..	8
C	..	..	..	..	..	..	6
D	..	..	..	..	..	..	9
E	..	..	..	..	..	..	11
F	..	..	..	..	..	..	7
G	..	..	..	..	..	..	4
H	..	..	..	..	..	..	19
I	..	..	..	..	..	..	13
J	..	..	..	..	..	..	5
K	..	..	..	..	..	..	14
L	..	..	..	..	..	..	8
M	..	..	..	..	..	..	10
N	..	..	..	..	..	..	6
O	..	..	..	..	..	..	4
P	..	..	..	..	..	..	5
Total							144

Each valid ballot paper is deemed to be of the value of one hundred and the values of the votes obtained by the respective candidates are as shown in the first column of the result sheet (Regulation X).

The values of all the papers are added together and the total 14,000 is divided by eight (*i.e.*, the number which exceeds by one the number of vacancies to be filled) and 1,751 (*i.e.*, the quotient 1,750, increased by one) is the number sufficient to secure the return of a member and is called the quota. The operation may be shown thus (Regulation XI):—

$$\text{Quota} = \frac{14,000}{8} + 1 = 1,750 + 1 = 1,751.$$

The candidate H, the value of whose votes exceeds the quota, is declared elected [Regulation XIII (1)].

As the value of the papers in H's parcel exceeds the quota, his surplus must be transferred. His surplus is 149 (*i.e.*, 1,900 less 1,751). [Regulation XIII (3), transfer of surplus].

The surplus arises from original votes, and therefore the whole of H's papers are divided into sub-parcels according to the next preferences recorded thereon, a separate parcel of the exhausted papers being also made. Let it be assumed that the result is as follows:— [Regulation XIV (4) (a)].

						Papers.
B is marked as next available preference on ..	..	..	..	..	..	7
D is marked as next available preference on ..	..	..	..	..	..	4
E is marked as next available preference on ..	..	..	..	..	..	4
F is marked as next available preference on ..	..	..	..	..	..	3
Total of unexhausted papers						18
No. of exhausted papers						1
Total of papers						19

The values of the papers in the sub-parcels are as follows:—[Regulation XIV (4) (b)].

	Papers
B . . . . .	700
D . . . . .	400
E . . . . .	400
F . . . . .	300
Total value for unexhausted papers	1,800
Value of exhausted papers	100
Total value	1,900

The value of the unexhausted papers is 1,800 and is greater than the surplus. This surplus is, therefore, transferred as follows—All the papers are transferred, but at a reduced value, which is ascertained by dividing the surplus by the number of unexhausted papers [Regulation XIV (4) (d)].

The reduced value of all the papers, when added together, with the addition of any value lost as the result of the neglect of fractions equals the surplus. In this case the new value of each paper transferred is  $\frac{149 \text{ (the surplus)}}{18 \text{ (the number of unexhausted papers)}}$

$= 8$ , the residue of the value, 92, being required by H for the purpose of constituting his quota, i.e., one exhausted paper (value 100) plus the value (1,656) of 18 unexhausted papers.

The values of the sub-parcels transferred are—

H—56 (i.e., seven papers at the value of 8)

D—32 (i.e., four papers at the value of 8)

E—32 (i.e., four papers at the value of 8)

F—24 (i.e., three papers at the value of 8).

These operations can be shown on a transfer sheet as follows—

#### Transfer Sheet

Value of surplus (H's) to be transferred	149
Number of papers in H's parcel	19
Value of each paper in parcel	100
Number of unexhausted papers	18
Value of unexhausted papers	1,800

New value of each paper transferred =  $\frac{\text{surplus}}{\text{No. of exhausted papers}}$

$$= \frac{149}{18} = 8$$

Names of candidate, marked as the next available preference	No. of papers to be transferred	Value of sub-parcel to be transferred
B . . . . .	7	56
D . . . . .	4	32
E . . . . .	4	32
F . . . . .	3	24
Total	18	144
No. of exhausted papers	1	
Loss of value owing to neglect of fractions		5
Total	19	149

The values of the sub-parcels are added to the values of the votes already credited to the candidates, B, D, E and F. This operation is shown on the result sheet.

There being no further surplus, the candidate lowest on the poll has now to be excluded G and O both have 400 [Regulation XV (1)].

The Returning Officer casts lots and G is chosen to be excluded. (Regulation XIX).

Being original votes, G's papers are transferred at the value of 100 each. A who was marked as next preference, on two papers receives 200, while D and E were each next preference on one paper and receive 100 each. O now being lowest is next excluded and his 400 is similarly transferred to I, B and K. I receiving 200 and B and K 100 each. [Regulation XV (2)].

This leaves J and P lowest with 500 each and J is chosen by lot for exclusion first. His papers are transferred at the value of 100 each to A, B, D and I, the three first named receiving 100 each, and I who had the next preference on two papers receiving 200. P is then excluded and his papers are transferred to E, L and K, the two first named receiving 100 each, and K, who had the next preference on three papers, receiving 300. (Regulation XIX).

K now exceeds the quota and is declared elected. [Regulation XVII (1)].

Prior to further exclusions, K's surplus of 40 has to be distributed. [Regulation XVII (3)].

The sub-parcel last transferred to K consisted of 3 votes transferred at the value of 100 each. The sub-parcel is examined; there are no exhausted papers and B, F and I are each next preference on one paper, and one paper is transferred to each of them at a reduced value determined by dividing the surplus (40) by the number of unexhausted papers (3). B, F and I accordingly receive 16 each. [Regulation XIV (5). Regulation XIV (4) (d) and (5)].

The process of exclusion is now proceeded with.

C and N have 600 each, and C is chosen by lot for exclusion first. He has 6 original votes; B, D and E are each next preference on two papers, and each receive 200. N is then excluded; A is next preference on 3 of his papers, and receives 300; F, I and L are each next preference on one paper and receive 100 each. [Regulation XIX. Regulation XV (1) and (2)].

This brings A and I above the quota and they are declared elected. Their surpluses have now to be distributed and I's surplus which is the larger, 65, is dealt with first. [Regulation XVII (1). Regulation XIV (2)].

The last sub-parcel transferred to I consisted of one paper transferred at the value of 100; D is next preference on this paper, and receives the whole surplus of 65. [Regulation XIV (5)].

A's surplus of 40 is then dealt with. The last sub-parcel transferred to him consisted of 3 papers transferred at the value of 100 each. B was next preference on two of these papers and E on one, and the papers are transferred accordingly. The value to be transferred is 16 per paper, i.e., the surplus (40) divided by the number of the unexhausted papers (3). B accordingly receives 32 and E 16. [Regulation XIV (4) (a) and (5)].

No other candidate having reached the quota, the process of exclusion is proceeded with, and F, who is now lowest with 840, is excluded. [Regulation XV (1)].

H's seven original votes are transferred first. D, D and E are next preference on three, two and two papers, respectively, and receive respectively 300, 200 and 200. [Regulation XV (2)].

The transferred votes are next transferred in the order of their transfers to G. The 3 votes received at the value of eight each at the distribution of H's surplus are transferred at the same value to I, who was next preference on all 3 papers. The two votes, received at the value of eight each, at the distribu-

paper. The vote transferred at the value of 100 on the exclusion of N is then transferred at the same value to D, who thus receives a total of 300. [Regulation XV (3)]

No continuing candidate having not reached the surplus, M, who is now lowest with 1,016, is excluded. [Regulation XV (1)].

His ten original votes are transferred first. B and D are first preference on three papers each, and E and L on two each. B and D accordingly receive 300 each, and E and L 200 each. This brings B, D and E above the quota, and they are declared elected. The requisite number of candidates having now been elected, the election is at an end, and it is unnecessary to proceed to the transfer of M's transferred votes. [Regulation XV (2), Regulation XV (4) and (5) and Regulation XVI].
